There is one (1) Student Alternate Member position vacant due to expiration of the term on June 30, 2016.

There is one (1) Student Alternate position expiring June 30, 2017 which is available due to the resignation of the incumbent.

The City Clerk and Community Development staff previously provided notice to the public and local high schools that positions were available and solicited interest forms from citizens to fill available these vacancies. However, no applications were received.

Subsequently, members of the Education Advisory Committee and Community Development Division staff engaged in additional outreach to Hollywood school administrators that two (2) positions for Student Alternate members are available and two qualified applications were received. One application was received from an adult educator who is not qualified for a Student Alternate position.
