Staff Recommends: Approval of the attached Resolution

Explanation:

Approximately 45% of the City's water customers are without sewer.

Department of Public Utilities staff identified several areas without sanitary sewer services that are in close proximity to existing sewer service lines:

- N. 70th Avenue & N. 70th Terrace between Fillmore Street and Johnson Street
- Anton Terrace between S. Dixie Highway and S. 22nd Avenue
- Hollywood Place and Polk Street between N. Dixie Highway and N. 22nd Avenue
- Collins Court between N. Dixie Highway and N. 22nd Avenue
- Pierce Street between N. Dixie Highway and N. 22nd Avenue

Department of Public Utilities staff completed the design and permitting of the pipeline and other components of the sanitary gravity sewer system.

On November 15, 2017, the Department of Public Utilities staff advertised the project soliciting qualified construction services, and on December 21, 2017, seven (7) bid proposals were received at the Office of the City Clerk and were publicly opened at the City of Hollywood Southern Regional Wastewater Treatment Plant with the following results:

NO.	BIDDER	BASE BID
1	Giannetti Contracting Corporation	\$2,310,953.00
2	Ric-Man Construction Florida, Inc.	\$2,465,695.00
3	GPE Engineering & General Contractor Corp	\$2,475,022.68

After thoroughly evaluating the bid proposals for compliance with the contract documents, Department of Public Utilities staff determined the bid proposal received from Giannetti Contracting Corporation to be the lowest responsive and responsible bidder.

A Notice of Intent to Award related to the project was posted on the City of Hollywood website, in DemandStar on January 9, 2018 to all the bidders and the posting of the notice resulted in no apparent bid protesters.
