Staff Recommends: Presentation

Explanation:

On September 18, 2019, the City Commission held a workshop to review several city sponsored proposals for the 2020/2021 school year. At the September 18, 2019 City Commission meeting, the Commission agreed to move forward a proposal for Hollywood Central (K-8) and the three Hollywood Hills High School proposals (6-12). The School Board reviewed all four proposals on Oct. 8, 2019 and asked for more information on the proposals. They will again consider the proposals later this month.
