Staff Recommends: Approval of the Resolution

Explanation:

The legal framework for the issuance of Capital Improvement Revenue Bonds was established through a previous Resolution of the City Commission. The specific terms of the Series 2016 Capital Improvement Revenue and Refunding Bonds are included in this proposed Supplemental Bond Resolution which serves as a companion agenda item to the previous Resolution.

The proposed Supplemental Bond Resolution authorizes the issuance of the Series 2016 Capital Improvement Revenue and Refunding Bonds in an amount not to exceed \$60,00,000 to refinance several existing series of bonds and loans secured with non-ad valorem revenues in order to provide debt service savings and the issuance of \$20,000,000 of additional bonds for the list of capital projects included in Exhibit C to this Supplemental Bond Resolution.

The proposed Supplemental Bond Resolution authorizes the use and approves the form of a Preliminary Official Statement (Exhibit B) and a Final Official Statement. The proposed Supplemental Bond Resolution also appoints an Escrow Agent and approves the form of an Escrow Deposit Agreement (Exhibit D). In addition, the proposed Supplemental Bond Resolution appoints other professionals (a paying agent and registrar and a verification agent) to assist in the issuance of the

Series 2016 Capital Improvement Bonds. Further, the proposed Supplemental Bond Resolution approves the form and execution of a Continuing Disclosure Certificate (Exhibit E) in order to comply with Rule 15c2-12 of the United States Securities and Exchange Commission.

The refunding portion of the transaction will refinance the following existing loans:

- Series 2006 First Florida loan currently outstanding in the amount of \$11,000,000
- Series 2007 First Florida loan currently outstanding in the amount of \$1,060,000
- Series 2009B BB&T Bank loan currently outstanding in the amount of \$6,022,592.33, and
- Series 2010 BB&T Bank loan currently outstanding in the amount of \$5,913,834.31.

The refunding portion of the transaction will generate estimated net present value debt service savings of \$1.63 million or 8.1 percent of the refunded loans.

In July 2014, the City established a bond financing team consisting of a Financial Advisor and a pool of three Bond Underwriters. The Bond Underwriter next up in the rotation of the three firms is Merrill Lynch, Pierce, Fenner & Smith, Inc. - who will serve as the Senior Underwriter for the proposed Capital Improvement Revenue Bonds. The City will enter into a Bond Purchase Agreement (Exhibit A) with Merrill Lynch which will include the final terms of the bonds after the negotiated sale.
