Staff Recommends: Approval of the attached Resolution.

### Explanation:

The Department of Public Works desires to execute the second renewal of the current agreement with Waste Connections of Florida, Inc. which is set to expire July 3, 2023.

On July 3, 2013, the City Commission passed and adopted Resolution No. R-2013-168, approving the attached Blanket Purchase Agreement (“BPA”) to Progressive Waste Solutions of FL, Inc., f/k/a Waste Services of Florida, Inc. and now d/b/a Waste Connections of Florida (“Waste Connections”) in the estimated amount of \$1,579,600.00. This was for an initial term of five years with the option for two additional renewals.

On June 6, 2018, the City Commission passed and adopted Resolution No. R-2018-192, which authorized the execution of a First Amendment with Waste Connections to allow for an interim contract. This interim contract gave the City time to evaluate its Solid Waste Disposal Services. After the evaluation was completed, the City Commission passed and adopted Resolution R-2019-164 on June 19, 2019, which authorized the execution of a Second Amendment with Waste Connections to set the term and revise the compensation. This current contract expires on July 3, 2023.

The Department of Public Works would like to execute the second renewal period which will increase the solid waste disposal fees from \$45.82 per ton to \$61.81 per ton during this extension term. The new expiration date will be July 3, 2028.

Section 38.41(C)(9) provides that when the City Commission declares by a 5/7 vote that competitive bidding and competitive proposals are not in the best interest of the City, such purchases are exempt from the competitive bidding and competitive proposal requirements.

The Director of Public Works recommends that the City Commission authorize the

appropriate City officials to execute a second renewal option with Waste Connections to continue solid waste disposal services for a period of five years in an amount not to exceed \$3,770,000.00.

**Fiscal Impact:**

A portion of the funding for these services is available in the FY 2023 Operating Budget in account 445.520101.53400.543610.000000.000.000 and will be budgeted in subsequent fiscal years' operating budgets subject to approval and adoption by the City Commission.
