A Resolution Of The Hollywood, Florida, Community Redevelopment Agency (“CRA”), Approving And Authorizing The Appropriate CRA Officials To Select Among Three Options For The 2019 Enhanced Services Agreement With The City Of Hollywood For Professional Services And Administrative Support In Various Matters.

Staff Recommends: Approval of the Resolution

Explanation:

Under the Florida Community Redevelopment Act, Chapter 163, Part III, Florida Statutes, as amended (together with other applicable provisions of law, the “Act”), the CRA may contract with such other persons public or private, as it deems necessary and appropriate for it to carry out its duties and responsibilities. As such, the CRA desires to engage the City to assist it in implementing and furthering the Redevelopment Plans by providing or causing to be provided certain redevelopment services and public improvements in the Hollywood CRA Districts. City staff time and expertise in various matters, including administration, personnel, engineering, architecture, finance, law, purchase, fire suppression, emergency medical services, beach safety, community policing, and public works, can be beneficially utilized in the planning and implementation of the Plan.

The City is willing to make available to the CRA, in accordance with the terms and conditions set forth in the 2018 Amended and Restated Enhanced Services Agreement, professional staff and administrative support. The Parties desire to amend that Agreement to further delineate the provision of Code Enforcement services within the CRA Districts.
