Explanation:

The Department of Public Utilities requires a water and sewer repair services emergency response agreement.

The required agreement has been competitively bid by the City of Miramar, Florida.

The City of Miramar's, Bid Number 15-003 bid was opened on December 2, 2014 and was awarded to the two lowest responsive, responsible bidders, including Madsen Barr Corporation of Wellington, Florida at its meeting on February 18, 2015, for a two (2) year agreement with renewal options for three (3) additional one (1) year periods.

On August 26, 2015, the City of Hollywood City Commission passed and adopted R-2015-247, authorizing the issuance of a blanket purchase order to Madsen Barr Corporation in accordance with bid number 15-003, for a two (2) year period with the option to renew for three (3) additional one (1) year periods.

The City of Miramar exercised the first one (1) year renewal period at the January 25, 2017 Commission Meeting.

Madsen Barr Corporation is currently providing these services to the City in a satisfactory manner.

Section 38.48 (C) (1) of the Purchasing Ordinance provides that, when a contract entered into by the city pursuant to City Commission approval provides for one or more renewals by affirmative action of the city and the estimated annual cost of a renewal exceeds \$250,000, only the City Commission is

authorized to approve such renewals.

The Director of Public Utilities and the Director of Procurement & Contract Compliance recommend that the City Commission approve the issuance of the attached blanket purchase order for Public Utilities Emergency Response Services to Madsen Barr Corporation of Wellington, Florida for the first one (1) year renewal period in an estimated annual expenditure of \$500,000.00.
