On July 15, 2016, Request for Proposals (RFP) Number 4522-16-RD was electronically advertised via BidSync in accordance with the City's Purchasing Ordinance, Section 38.42(A).

On August 17, 2016, a four (4) member Evaluation Committee representing the Office of Human Resources, the Office of the City Attorney, the Office of Public Affairs & Marketing, and the Office of

Labor Relations, met to review and evaluate the proposals.

Due to the volume of information received outside the Committee's areas of expertise, they requested that the City's two (2) Human Resource/Risk Consultants review the proposals and each provide a summary analysis to assist in the evaluation process.

On October 31, 2016, the Evaluation Committee re-convened and the two (2) Consultants explained their summary analysis and answered questions.

Both the Consultants and Committee members still had several questions that needed clarification from the five (5) proposers.

Questions were prepared by the Consultants, approved by Committee Members, and forwarded to each of the proposers for clarification and response.

The information received from each proposer was forwarded to the Evaluation Committee for their review, consideration and discussion at the next evaluation meeting.

On November 17, 2017, the Evaluation Committee re-convened to review all information received, and evaluate and rank each of the five (5) proposals.

The evaluation of the proposals was based upon the following evaluation criteria as established in the RFP: Experience, Project Organization and Technical Qualifications of the Persons Assigned to the Project, Project Understanding, Proposed Approach and Methodology and Services Provided, Reference and Successfully Completed Similar Projects, Cost, and Local Preference.

The five (5) proposals received were evaluated and the scores were compiled to arrive at the following rankings, (highest score), first choice to fifth choice:

Employers Mutual, Inc. d/b/a Ascension Benefits & Insurance Solutions	348
CorVel Enterprise Comp, Inc.	336
PMA Management Corp.	329
York Risk Services Group	294
North American Risk Services, Inc.	277

After all Proposals received were evaluated and scored, the Evaluation Committee recommended that the proposals be short-listed to the three (3) highest ranked firms as follows:

1. Employers Mutual, Inc. d/b/a  
Ascension Benefits & Insurance Solutions
2. CorVel Enterprise Comp, Inc.
