Staff Recommends: Approval of Resolution

Explanation:

Broward Boating Improvement Programs (BBIP), a Broward County grant program, has grant funding available to local governments for the improvement of public navigation, recreation and boating projects.

The Department of Parks, Recreation and Cultural Arts desires to apply for the FY 2017 Broward Boating Improvement Program grant to cover half of the estimated \$200,000.00 cost for design work, engineering and permitting costs for a linear boating park along the Intracoastal near Hollywood Boulevard.

The BBIP grant requires a one to one match from the local government receiving the grant, funding for which has been identified in the Community Redevelopment Agency account #63.0100.16829.552.06301, in the amount of \$100,000.00.

Pursuant to Resolution R-2015-294, adopted and approved by the City Commission on September 28, 2015, the Fiscal Year 2016 Adopted Budget was adopted and approved by the City Commission to recognize operating revenues, provide appropriations, and permit authorized budgetary adjustments and transfers.

Funding will become available for this project in the General Capital Outlay Fund (34) from the grant award proceeds, if awarded, and the transfer of matching funds from the Beach Community Redevelopment Agency which funds are to be recognized and appropriated for the specific permissible uses as described above and detailed in the attached Exhibit 1.

The Department of Financial Services is hereby authorized to create certain accounts to recognize revenue and appropriate program funding.

The boating park will be located along the Intracoastal stretching from Arizona Street south to Azalea Street and will include a day dock, dog park, a wide meandering pedestrian walkway, artwork, shade sails, lighting and landscaping.
