Presentation By Demian Miller, Tindale Oliver, On The State Road 7 Multimodal Improvements Corridor Study And Project Recommendations Relevant To Hollywood.

Staff Recommends: Presentation

Explanation:

Demian Miller, Tindale Oliver, will provide a presentation on the State Road 7 Multimodal Improvements Corridor Study and project recommendations relevant to Hollywood.

The study identified and prioritized projects to enhance the transit passenger, bicycle and pedestrian experience along the corridor, identify congestion and safety improvement, develop short-term improvements that can be carried out immediately, identify longer-term improvements for project development and meet the terms of environmental regulations.

Recommended for inclusion on the agenda by:

Dr. Wazir Ishmael, City Manager

Gus Zambrano, Assistant City Manager

Brian Rademacher, Corridor Redevelopment Manager
