### Explanation:

On October 19, 2022, the City Commission passed and adopted Resolution No. R-2022-314, approving Blanket Purchase Agreement ("BPA") PA600581 in the amount of \$380,000.00 with Condo Electric Motor Repair Corp. ("Condo") for electric motor and pump repair services, including all appurtenances and ancillary equipment, for the period from October 13, 2022, to July 31, 2024.

The Department of Public Utilities ("DPU") desires to issue a change order to BPA PA600581 to increase the contract from \$380,000.00 to \$580,000.00, to pay for additional necessary repair services. The original contract amount was issued for use by multiple departments within the DPU but is insufficient to cover emergency events that have required unanticipated equipment repair services. Other departments listed under the contract have also experienced high usage due to weather events and other urgent repair requirements. To date, the departments listed on the contract have spent more than \$320,000.00. The estimated cost to complete additional urgently needed repairs is nearly \$200,000.00, necessitating the change order amount.

### Fiscal Impact:

Funding for these services is available in the FY 2024 Operating Budget in account numbers: 442.400502.53600.546350.000000.000.000, 443.410101.53800.546330.000000.000.000, 442.400601.53600.552240.000000.000.000, 442.400602.53600.546350.000000.000.000, and 442.400603.53600.552240.000000.000.000.
