Explanation:

On April 16th 2014, the City Commission granted development approvals for Hyde Beach Resort, a mixed-use project, consisting of 40 residential units, 367 condo-hotel rooms and accessory uses, located at 4111 South Ocean Drive (O-2014-06 and R-2014-096). 4111 South Ocean Drive, LLC is currently requesting to amend the Design to include a mural in lieu of the previously proposed vertical landscape wall on the south façade of the parking garage; and to modify the sign package. Changes to the sign package include reducing the size of the "H" embedded within the vertical landscape wall of the west façade to include wording (name of building); and the introduction of a monument sign.
