A Resolution of the Hollywood, Florida Community Redevelopment Agency (“CRA”), Authorizing the Appropriate CRA Officials to Issue an Authorization to Proceed to Kimley-Horn and Associates, Inc. to Provide Consulting Services for Phase IV- Resurfacing, Restoration and Rehabilitation Project in an Amount not to Exceed \$99,000.00.

Infrastructure & Facilities

Staff Recommends: Approval of the attached Resolution.

Explanation:

On June 25, 1997, the Community Redevelopment Agency (“CRA”) adopted the Hollywood Beach Redevelopment Plan for the Hollywood CRA Beach District which identifies the need to redevelop the A1A corridor by improving circulation for pedestrians, bicyclist and motorists and to underground the overhead utility lines along SR A1A.

On February 5, 2019, the CRA Board approved Resolution No. R-BCRA 2019-09, authorizing the appropriate CRA officials to negotiate and execute a contract with the highest ranked firm, Kimley-Horn and Associates Inc. (“KH”) to provide consulting services for Phase IV Undergrounding of Overhead Utilities and Streetscape Beautification.

On June 3, 2020, the CRA approved Resolution No. R-BCRA 2020-20, which authorized KH to provide consulting services for the design of Phase IV- Undergrounding of Overhead Utilities and Streetscape Beautification for 18 east west streets and SR A1A,

The CRA will like to include the Florida Department of Transportation’s (“FDOT”) Resurfacing, Restoration and Rehabilitation (“RRR”) component, which is scheduled to be funded in July 2024 and add the RRR Project to the CRA Phase IV scope.

On May 5, 2022, the CRA through the City submitted a letter of interest to the Florida Department of Transportation (“FDOT”) to enter into a Joint Partnership Agreement (“JPA”) to combine the CRA’s SR A1A project scope with the proposed FDOT Resurfacing, Restoration and Rehabilitation (“RRR”), and on July 25, 2022, FDOT responded to the letter of interest accepting the request to enter into a JPA.

The CRA requested a proposal for consulting fees for professional services required to issue the construction documents for the FDOT RRR which includes milling and resurfacing, upgrades to the existing

pedestrian curb ramps, pavement markings and stripping, drainage component, update signalization at existing crossings, lighting upgrades at intersections and signage complying with improvements.

Fiscal Impact:

The proposal amount to design and prepare the casements is \$99,000.00. Funding for this expenditure is available in the Beach CRA FY 2020 account number 163.639901.552.563010.001235.000.000 - Const Imprvmt Underground Ph 4.
