A Resolution Of The City Commission Of The City Of Hollywood, Florida, Authorizing The Appropriate City Officials To Issue The Attached Blanket Purchase Order Renewing the Agreement Between Shrieve Chemical Company And The City Of Hollywood For The Supply Of Sulfuric Acid In An Estimated Annual Amount Of \$430,000.00.

Staff Recommends: The Approval of the Attached Recommendation.

### Explanation:

The Department of Public Utilities requires the supply of sulfuric acid, used by the City's Water Treatment Plant for the membrane treatment process to reduce plating (thin layer) of the membranes.

The required sulfuric acid has been competitively bid by the City of Deerfield Beach, Florida acting as lead agent for the Southeast Florida Governmental Cooperative Purchasing Group (Bid Number 2012-13/18).

The City of Deerfield Beach awarded its Bid Number 2012-13/18 to Shrieve Chemical Company for the supply of sulfuric acid for a three (3) year period with three (3) additional one (1) year renewal periods.

The City of Deerfield Beach, Florida City Commission exercised the first renewal option via Resolution Number 2016/104 providing a new expiration date of May 31, 2017.

On June 19, 2013, the City Commission passed and adopted Resolution Number R-2013-156, authorizing the issuance of blanket purchase order (B002487) in the amount of \$430,000.00 to Shrieve Chemical Company for the supply of sulfuric acid in accordance with the City of Deerfield Beach, Florida (Bid Number 2012-13/18), for a three (3) year period with three (3) additional one (1) year renewal periods.

The sulfuric acid base price shall be adjusted quarterly, based upon the Green Markets Tampa Price Sulfur Index.

As availability of sulfur depletes and the cost rises it is necessary for Shrieve Chemical Company to adjust the sulfuric acid base price.

The Director of Public Utilities and the Contract Compliance Officer recommend that the City Commission approve the first renewal of the attached blanket purchase order to Shrieve Chemical

Company for the supply of sulfuric acid, in an estimated annual amount of \$430,000.00.

Section 38.48 (C) (1) of the Purchasing Ordinance provides that, when a contract entered into by the city pursuant to City Commission approval provides for one or more renewals by affirmative action of the city and the estimated annual cost of a renewal exceeds \$250,000.00, only the City Commission is authorized to approve such renewals.

Funding for the attached blanket purchase order has been provided for in the fiscal year 2016 budget in the Department of Public Utilities Chemical Account Number 42.4011.00000.536.005233 and funding will be requested in subsequent fiscal years.

Recommended for inclusion on the agenda by:

Dr. Wazir A. Ishmael, City Manager

Gus Zambrano, Assistant City Manager/Sustainable Development

Mirtha Dziedzic, Interim Director, Financial Services

Steve Joseph, Director, Public Utilities

Paul Bassar, Contract Compliance Officer, Office of the City Manager
