File #: R-2016-287, **Version:** 1

A Resolution Of The City Commission Of The City Of Hollywood, Florida, Authorizing The Appropriate City Officials To Execute A Contract Between West Construction, Inc. And The City Of Hollywood, For The Henry Graham Park Improvements, In The Amount Not To Exceed \$ 264,179.00.

Staff Recommends: Approval of the Attached Resolution.

Explanation:

Following Liberia community outreach, the Department of Parks, Recreation and Cultural Arts identified the need for improvements to Henry Graham Park, located at 2350 Simms Street. The demolition of the park's existing asphalt paths, concrete borders, fences and used play equipment shall prepare the site for all-new amenities to include: metal picket and chain link fences and park entrance gates, natural and colored concrete walkways and pads, park benches, a picnic table, a game table, waste bins, a drinking fountain with hose bib, exercise equipment, children's playground equipment, a children's water feature and splash pad, solar lighting, landscaping and sod, irrigation and signage.

Drawings and specifications for the renovated park were prepared by City staff, and the project was publicly advertised via BidSync on July 7, 2016. A non-mandatory pre-bid meeting was held at the park site on July 21, 2016, where two (2) potential bidders attended. Six (6) bids were received and publicly opened on Wednesday, August 10, 2016, and the responsive bids are shown on the attached bid tabulation sheet. Staff finds the bid submitted by West Construction, Inc. to be responsive and responsible, and recommends the award of this contract to West Construction, Inc. in the amount of \$ 264,179.00.

A portion of this project is being funded through Park Impact Fees and is available in account number 34.3100.88527.572.006301. The remainder of the funding is available from General Capital Funds in account number 34.3114.14362.572.006301.

It is anticipated that construction will start toward the middle of October 2016 and be substantially complete by the end of January 2017.

Recommended for inclusion on the agenda by:
Dr. Wazir Ishmael, City Manager

Chuck Ellis, Director, Department of Parks, Recreation and Cultural Arts
Thomas Barnett, Director, Department of Development Services
Andria Wingett, Assistant Director, Department of Development Services
