A Resolution Of The City Commission Of The City Of Hollywood, Florida, Terminating The Housing Emergency For The Entire City Of Hollywood Boundaries That Was Declared September 6, 2017 Pursuant To Resolution No. R-2017-272.

Staff Recommends: Approval of attached Resolution.

### Explanation:

On September 6, 2017, the Mayor of the City of Hollywood, declared a State of Emergency pursuant to state and local law due to Hurricane Irma. The State of Emergency ended September, 14, 2017.

Section 40.08 of the Hollywood Code of Ordinances entitled "Emergency Temporary Housing" expressly provides that upon a declaration of a state of emergency and during the pendency thereof, and as part of the original declaration or at any time during the duration of a declared state of emergency, the City Commission may declare a state of housing emergency for all or any part of the city. On September 6, 2017, the City Commission passed and adopted Resolution No. R-2017-272 wherein the City Commission determined it was necessary and prudent to preemptively declare a state of housing emergency for the entire boundaries of the City of Hollywood.

A housing emergency declaration survives the termination of a State of Emergency and may only be terminated, in whole or in part, by formal action of the City Commission as set forth in Section 40.08 of the Hollywood Code of Ordinances. The status of the housing emergency shall be evaluated ninety (90) days after its declaration by the City Manager or his/her designee, as long as the housing emergency declaration is in effect, to determine whether formal action by the City Commission is necessary.

Housing stock in the city essentially escaped major structural damage from Hurricane Irma as demonstrated both by the lack of any permit applications for emergency temporary housing and the lack of qualified requests for assistance from the Community Development Division's Disaster Assistance Program. Based on the current state of housing in the city, staff recommends termination of the state of housing emergency city-wide, effective December 6, 2017.
