The RFQ document's Consultant Selection Process required an initial evaluation committee to review and score/rank the responsive proposals based upon the Initial Selection Criteria by which firms may be shortlisted for oral interviews.

The initial evaluation of the proposals was based upon the following criteria as established in the RFQ: Firm's Relevant Experience, Technical Qualifications of the Persons Assigned to the Project, Project Organization, Project Understanding, Proposed Approach and Methodology, References and Successfully Completed Similar Projects and Financial Stability.

On July 14, 2015, the proposals were evaluated by a six (6) member committee representing the City of Hollywood Department of Public Utilities, the City of Miramar and Broward County.

Black & Veatch Corporation	498
Hawksley Consulting, Inc.	494
Lighthouse Utility Consulting, Inc.	485

After an evaluation of the RFQ responses, the Evaluation Committee recommended that the three (3) highest ranked proposers by score be scheduled to make an oral presentation to the Evaluation Committee.

Hawksley Consulting, Inc. elected not to attend the oral presentation portion, therefore, eliminating them from consideration.

On July 21, 2015, the two (2) highest ranked firms made oral presentations to the Evaluation Committee.
