A Resolution Of The City Commission Of The City Of Hollywood, Florida, Amending The Number And Type Of The Authorized Positions And Adjusting The Assignments Of The Authorized Positions For Each Department For The Fiscal Year 2016 As Previously Established (R-2015-296).

Staff Recommends: Approval of the Attached Resolution.

**Explanation:**

Certain routine and periodic revisions and adjustments to the authorized assignment of positions are considered to be appropriate and necessary during the Fiscal Year.

This resolution seeks to adjust the assignment of authorized full-time positions, job classifications and pay grades previously established for proper budgetary control. These adjustments are due to changes within and the addition of departments and offices.

The number of full-time positions authorized for fiscal year 2016 is increasing from 1,261 to 1,263 full time positions due to the addition of 2 Building Compliance Inspector/Investigators.

The changes to position control are as follows:

1. City Manager - Movement of an Administrative Secretary to the Code Compliance Division from the former Red Light Camera Program and movement of a Senior Accounting Clerk from the Code Compliance Division to Police for a net change of zero. Originally, 2 administrative positions were to be moved from Police (Former Red Light Camera Program) to Code Compliance. The needs of both units were evaluated
