A Resolution Of The City Commission Of The City Of Hollywood, Florida, Authorizing The Appropriate City Officials To Execute The Attached Contract Between Pioneer Construction Management Services, Inc. And The City Of Hollywood, For The Continuation Of The 50/50 Shared Cost Sidewalk Program And Implementation Of Additional Sidewalk Improvement Projects Under The Capital Improvement Program, In An Amount Not To Exceed \$359,200.00.

Staff Recommends: Approval of the Attached Resolution.

Explanation:

The Engineering and Architectural Services Division implements the sidewalk improvement projects adopted under the City's Capital Improvement Programs to include the ADA Sidewalk/Ramp program, the CDBG Sidewalk program, the City Facilities Sidewalk program and the continuation of the 50/50 Shared Cost Sidewalk Program, a voluntary partnership project between the City of Hollywood and its residents. This program, originally established back in 2001, has been successfully implemented since its inception. Property owners are able to take advantage of the competitive low pricing, choose to have the City's contractor perform and manage the sidewalk work, and pay upon completion or make monthly payments over a term of up to two years, lessening the financial burden to maintain the sidewalk infrastructure. Funding for the 50/50 Shared Cost program is distributed throughout

the City and is also supplemented at times by Community Block Grant Funds, which are utilized for sidewalk improvement projects in eligible neighborhoods.

The Project was electronically advertised via BidSync in accordance with the City's Purchasing Ordinance, Section 38.42(A) on February 26, 2016. The project specifications were viewed online by sixty-two (62) vendors and nineteen (19) of them downloaded them. A non-mandatory pre-bid meeting was held on March 11, 2016. Five (5) bid submittals were received and publicly opened on March 21, 2016. The tabulation of the bids received is attached.

City staff has reviewed all bids submitted and determined the bid submitted by Pioneer Construction Management Services, Inc. to be the lowest responsive and responsible bid, and therefore, recommends award of the contract in the amount of \$359,200.00.

Recommended for inclusion on the agenda by:

Wazir A. Ishmael, Ph.D., City Manager

Gus Zambrano, Assistant City Manager/Sustainable Development

Sylvia Glazer, Director, Public Works

Jonathan Vogt, City Engineer/Deputy Director of Public Works
