Explanation:

On September 5, 1979, pursuant to Ordinance No. O-79-46 duly adopted by the City Commission of the City of Hollywood, Florida (the "City"), the Commission created a "community redevelopment agency" known as the City of Hollywood, Florida Community Redevelopment Agency (the "CRA") with the authority to transact business and exercise powers under and pursuant to the Florida Community Redevelopment Act, Chapter 163, Part III, Florida Statutes, as amended.

The City and the CRA are interested in maintaining and revitalizing the CRA areas as visibly attractive, economically viable, and socially desirable areas of the City.

Under the Redevelopment Act, the CRA may contract with such other persons public or private, as it deems necessary and appropriate for it to carry out its duties and

responsibilities. The City has professional staff employed by the City. The CRA desires to engage the City to assist it in implementing and furthering the Redevelopment Plans by providing and casing to be provided certain redevelopment services and public improvements in the City of Hollywood CRA Districts. The City staff time and expertise in various matters, including administration, personnel, engineering, architecture, finance, law, purchase, fire suppression, emergency medical services, beach safety, community policing and public works, can be beneficially utilized in the planning and implementation of the Plan.

The City is willing to make available to the CRA, in accordance with the terms and conditions set forth in the Enhanced Services Agreement, professional staff and administrative support.
