Explanation:

Section 98.050, of the Hollywood Code of Ordinances provides for the construction and/or location of boat docks on City property along portions of North and South Lake.

The use of the public lands for a boat dock is subject to a Boat Dock Lease Agreement (the Lease) with the City and is limited to the owner of property directly adjacent to the dock locations.

The Lessees are the owners of residential properties that had approved Leases which expired on September 30, 2015. The Lessees have requested a Lease with the City for the continued use of the existing boat docks. The Lessees include: Ghazi Attallah of 808 South Southlake Drive, Carmen Connell of 828 Polk Street, Shawn Fanshier of 824 South Southlake Drive, Ghasem H. Jafarmadar of 741 North Southlake Drive and Michael and Tonya Quarequio of 812 South Southlake Drive.

Section 98.0501 (B) of the Code of Ordinances provides for an annual lease fee, plus rental tax, adjusted annually based on the Consumer Price Index of which the current annual fee is \$586.27.

Section 98.029(E) of the Code of Ordinances requires Lessees to maintain Public Liability Insurance covering the Lease property and the boat dock structure, naming the City as an additional insured, in an amount not less than \$500,000.00.

The term of each Lease shall be for four (4) years commencing on October 1, 2015 and ending on September 30, 2019 and may be renewed for additional four (4) years each by the City Manager without further application to the City Commission.
