Staff Recommends: Approval of Attached Resolution.

Explanation:

In 2004 the City Commission approved a \$500,000.00 allocation from the Home Investment Partnership Program (HOME) to be used in connection with the demolition and reconstruction of the Crystal Lakes Public Housing Project at 2900 N. 24th Avenue. The project was completed in 2008.

The City secured its financing with a mortgage and note that was subordinate to a first position mortgage held by CitiBank and second position mortgage held by Broward County.

Crystal Lakes Redevelopment, Ltd. is seeking to refinance the first position debt through Section 207/223(f) of the National Housing Act. To this end, Crystal Lakes Redevelopment,

Ltd. is requesting the City to re-subordinate its loan. The City's debt will remain in third position and will be secured by an approximately 11.5 acre portion of the site on which housing was constructed. Additionally, the affordability period for the loan will extend an additional thirty-five (35) years until 2051.
