Staff Recommends: Approval of the Attached Ordinance.

Explanation:

Seaside Village by Vintage Homes, Inc. as submitted an application to vacate the northern half of the right of way of Palm Street, west of A1A, which are submerged right of way lands that have not been used for a public roadway or access purpose. The owner of the property north of the submerged right of way, Seaside Village by Vintage Homes, Inc., is looking to include and additional deeded dock space as an amenity of the development.

Adequate easements have been established to ensure continued provision for, access to and maintenance for potential future utilities and maintenance of existing seawall, and all affected agencies and utility providers have reviewed the request and have no objection to the

requested vacation.
