### Explanation:

This item involves conducting a public hearing on the City's proposed One Year Action Plan and projected use of funds for Federal Program Year 2018-2019.

The Consolidated Plan is designed to help states and local jurisdictions to assess their affordable housing and community development needs and market conditions, and to make data-driven, place-based investment decisions. The Consolidated Plan is carried out through Annual Action Plans, which provide a concise summary of the actions, activities, and the specific federal and non-federal resources that will be used each year to address the priority needs and specific goals identified by the Consolidated Plan.

Notice to the public advising of the availability of a summary draft of the proposed One Year Action Plan was published in The Miami Herald Broward Main on May 19, 2018. The proposed One Year Action Plan has been available for public inspection and comment at the Community Development Division. The activities described in the proposed One Year Action Plan for Federal Fiscal Year 2018-2019 reflect the recommendations of staff and of the CDAB.
