A Resolution Of The City Commission Of The City Of Hollywood, Florida, Approving And Authorizing The Appropriate City Officials To Execute The First Amendment To The Interlocal Agreement With Broward County Agreement For Household Hazardous, Bulk And Yard Waste Program Agreement For A One Year Term From September 30, 2018 To September 30, 2019.

Staff Recommends: The Approval of the Attached Resolution.

Explanation:

On September 4, 2013, the City Commission passed and adopted Resolution No. R-2013-254 which authorized the appropriate City Officials to execute an Interlocal Agreement with Broward County for the disposal of Household Hazardous Waste and Bulk Trash and Yard Waste Drop-Off at permanent drop-off locations for a five (5) year term on a per capita cost basis. The Interlocal Agreement currently in effect will expire on September 30, 2018, and does not provide for renewals.

Broward County has proposed that the current Interlocal Agreement be extended for a one year term under the same terms and conditions and has provided the attached First Amendment to the Interlocal Agreement for consideration by the City. Article 4 of the current

Interlocal Agreement provides that the City's payment for such services, which is based upon a per capita calculation, shall be escalated by an amount not to exceed three percent annually during the term of the Agreement.

The per capita fee for Household Hazardous Waste under the proposed First Amendment and pursuant to Article 4, will increase from \$2.06 to \$2.12 which increases the annual amount from \$289,982.00 to \$298,428.00. The per capita fee for Residential Drop-Off Program of Bulk Trash and Yard Waste will increase from \$.52 to \$.54 which increases the annual amount from \$73,199.00 to \$76,015.00. Although the per capita fee payment for the City will increase, the County's Residential Drop-Off Program of Bulk Trash and Yard Waste disposal services to residents will be free of charge at permanent collection sites.

Funding for this service will be provided in the FY 2019 Budget, Department of Public Works Budget Account Numbers 45.5121.00000.534.004360 - Waste Disposal and 45.5121.00000.534.004631- Waste Disposal - Broward County
