A Resolution Of The Hollywood, Florida, Community Redevelopment Agency ("CRA"), Canceling Bid BRCA 10-013 Dated November 5, 2018 For Replacement Of Damaged Poles, And Awarding The Project To Burkhardt Construction, Inc. At A Lower Cost Based On Negotiation With The Construction Management Company.

Staff Recommends: Approval of the attached Resolution.

### Explanation:

Staff identified 13 damaged concrete poles along the beach that were damaged by the salt environment and needed to be replaced. Staff prepared bid documents and estimated the project at a cost of \$65,000.00. On November 5, 2018 the CRA bid out this project as low bid and on December 11, 2018, two bids were received and opened. The low bids were as follows: Sagaris Group, \$90,000.00; and AUM Construction, \$146,050.00.

Since the bids came in higher than the estimated cost and in order to lower the construction cost to an acceptable amount, staff requested a proposal from Burkhardt Construction, Inc. Pursuant to R-CRA-2016-54 the CRA Board ranked Burkhardt Construction Inc. (CM) as the firm to provide construction management services for various projects within the CRA districts. The CM provided a proposal for the pole replacement project at a lower cost of \$68,231.06. Since the project cost is less than \$200,000.00, the CRA Board can waive the requirement for bonds which will result in a further

cost reduction in the amount of \$940.63. The CRA Executive Director recommends canceling the low bid, and accepting the CM proposal without the bonds.

Recommended for inclusion on the agenda by:  
Jorge Camejo, Executive Director
