Proclamation In Recognition Of Keep Your Move In The Tube Day At Memorial Regional Hospital - February 20, 2019.

Staff Recommends: Presentation of Proclamation.

Explanation:

Memorial regional hospital was the first hospital in Broward County to perform adult heart transplant surgery. The cardiac and vascular institute uses a skilled team approach to provide quality heart care in the community focusing on prevention, treatment, and follow-up for a range of heart and vascular conditions.

During the implementation period from March 9, 2016 to October 31, 2018, approximately 1,200 patients were in the program - 400 of those patients (30%) were Hollywood residents. This program increased the rate of patients who were discharged directly home instead of to a nursing home or inpatient rehabilitation program from 42% to 86%.

The proclamation will be accepted by:
Richard Gach, PT, DPT, CMPT, KTCC, CEAS
John Shannon
Susan Triano, MS, CCC-SLP
Michael Cortelli, MD.

The proclamation will be presented at the February 20, 2019 City Commission Meeting.
