**Explanation:**

On March 12, 2019, City residents passed the General Obligation Bond ("G.O.B.") to fund a variety of Citywide public improvement projects, which includes funding for improvements of Parks, Recreational and Cultural Facilities, Open Space and Golf.

Montella Park is one of the parks listed and the scope of improvements includes the replacement of playground equipment, safety surfacing, shade cover and ancillary park equipment.

The Department of Parks, Recreation and Cultural Arts requires the purchase and installation of playground equipment, playground surfacing and shade cover for the City's Montella Park.

The Interim Director of Parks, Recreation and Cultural Arts and the Director of Procurement Services recommend that the City Commission approve issuance of a Purchase Order to Rep Services, Inc.
