Quality of Life & Strong Neighborhoods

Staff Recommends: Approval of the Resolution.

Explanation:

The City of Hollywood Artwork Selection Committee was created in June 1994, to review, select and display appropriate artwork, including photography, loaned or donated to the City of Hollywood, for exhibition on the walls of the foyers and corridors of City Hall at 2600 Hollywood Boulevard, Hollywood, Florida.

The duties of the expanded committee include reviewing artwork that could be acquired by the City through commission, donation, or purchase for placement within City facilities.

The Artwork Selection Committee is from the artistic and cultural community and is associated with artists in various media in Florida. They have leadership in numerous cultural organizations, which is an essential component when selecting board members to attract new talent to City Hall.

Presently Pedro Da Cruz, Carole Pumpian and Richard Sauer serve on the Artwork Selection Committee, and their term expires on June 30, 2020. There is no Youth Member currently serving.

The City Clerk provided notice to the public that positions were available and solicited interest forms from citizens to fill available vacancies

Fiscal Impact:

Approval of this Resolution will not fiscally impact the City.
