Staff Recommends: The Approval of the Attached Ordinance

### Explanation:

Chapter 50 of the Hollywood Code of Ordinances establishes and explains the procedures and regulation for the City's solid waste and recycling management program. On August 28, 2019, the City Commission passed and adopted Resolution Number R-2019-240 that approved and authorized a contract with Waste Pro of Florida, Inc. for solid waste collection, recyclables collection, yard waste/bulk waste collection and disposal.

Due to the operation of the collection services, it is necessary to amend Chapter 50 in order for the regulations to reflect such changes and we are requesting that Chapter 50, "Solid Waste and Recycling Management," of the Code of Ordinances of the City of Hollywood be amended as follows on the attached.

Fiscal Impact:

Approval of this ordinance will not fiscally impact the City as this is a proposal for an amendment.
