Staff Recommends: The Approval of the Attached Resolution.

Explanation:

The City of Hollywood, Municipal Code of Ordinance, Chapter 50, Section 50.04(A)(5)(b) established a \$200.00 administrative charge against the owner or other person in charge of the property for the removal of illegally placed commingled material. On September 2, 2020, the City Commission passed and adopted Ordinance No. PO-2020-11, removing the administrative charge from the Ordinance to be placed in this Resolution. The administrative charge for the removal of illegally placed bulk waste and yard waste remains at the same rate as the previous Ordinance.

Chapter 50, Section 50.03(D)(1) also reiterates that any person or entity who is subject to the City supplying the necessary services through a private contractor for inadequate garbage service shall be subject to the cost and expense of providing the collection.

Administrative costs are accumulated by the Environmental Services Division to supply these services and constitute the expense, as referred to in the Ordinance. Cost for the removal of garbage are in the same amount as for the removal of illegally placed yard waste and bulk waste material.

An administrative charge in the amount of \$200.00 against the owner or other person in charge of the property for the removal of garbage shall constitute the expense of the collection as stated in Section 50.03(D)(1)

We are removing the \$200.00 administrative charge from the Ordinance and placing the \$200.00 administrative charge into this resolution as a short term solution. In the future, it will be placed into a citywide fee schedule Resolution that will be presented to the City Commission for approval in the near future.

Fiscal Impact:

This resolution continues an administrative fee of \$200.00 for illegally placed garbage. This item is an administrative cleanup to move a currently charged fee from an ordinance to a resolution. Historically, the annual revenue collected by the Sanitation Enterprise Fund for this fee is approximately \$5,000.00.
