A Resolution Of The City Commission Of The City Of Hollywood, Florida, Amending Resolution No. R -2015-262 To Decrease The Number Of Regular Members From Ten To Nine; And Appointing Seven Members To The Education Advisory Committee.

Staff Recommends Approval of Attached Resolution.

Explanation:

On July 11, 2001, the City Commission passed and adopted Resolution No. R-2001-93, authorizing the creation of the Education Advisory Committee to obtain and review information regarding educational matters and support and promote quality education in order to make the educational opportunities in Hollywood the best available in the State of Florida.

Pursuant to Resolution No. R-2001-93, members must reside or work in Hollywood, or be known for their countywide interest in education. Further, persons of diverse perspectives shall be represented on the Education Advisory Committee, including parents of school-age or pre-school-age children, educators, business people, and persons with a background and knowledge in child development and/or education-related fields.

Resolution R-2001-93 was subsequently amended by resolutions R-2002-241, R-2003-144, R-2003-373, R-2004-203, R-2005-299, R-2007-421, R-2009-188, R-2011-143, R-2012-186, R-2013-088, and R-2015-262 thereby establishing the current committee composition with ten (10) Members, four (4) Teacher Members, and two (2) Student Alternate Members. The Student Alternate members fill in for any regular member or teacher member who is absent at a meeting.

There is one (1) Member position vacant due to the resignation of Jasmine Forrester and this term expires June 30, 2018. Staff recommends permanently eliminating this position to achieve an odd number of positions composing the committee.
