The Project was electronically advertised via BidSync in accordance with the City's Purchasing Ordinance, Section 38.42 (A)(1) on June 14, 2018. A Pre-bid Meeting was held on July 16, 2018. Subsequently, two bid submittals were received and opened on July 23, 2018. The tabulation of the bids received is attached.

The grants are managed by the Florida Department of Transportation (FDOT) through its Local Agency Program (LAP).

After Broward MPO grant award, and placement of the project on the FDOT's work program, City staff began the LAP Project Specific Certification process with FDOT, which was completed in September 15, 2017. The City received FDOT's Notice to Proceed on May 15, 2018, after which the project was advertised for bids.

Funding for the project as follows; FDOT Safe Routes to School Grant in the amount of \$975,310, a portion of the funding was included in the FY 2018 Capital Improvements Program that was approved pursuant to Resolution No. R-2017-289 and is available in
