The Department of Design and Construction Management ("DCM") determined that it is necessary to retain a contractor for paving services that includes the asphalt milling and paving of all park pathways and parking lots, pavement markings on the road and in the parking lots, rock service and asphalt paving to build asphalt area in front of rowing building and straight edge where boats are located, asphalt paving to pitch water where boats are for positive drainage, concrete sidewalks and concrete footer in ground at sidewalks and pavilions within Holland Park.

The desired services were competitively bid by Palm Beach County for Project No. 2020055 on June 11, 2020, and the term of the contract is three years from the date of execution - November 17, 2020, with an option to extend the contract upon mutual agreement of the parties.

Palm Beach County awarded the bid to All Paving, Inc. who has agreed to extend to the City the same pricing under the terms and conditions as set forth in the Palm Beach County Bid in an amount not to exceed \$193,842.36.
