Re: Authorization to Utilize (“Piggyback”) Existing Contract

Dear Ms. Hipolito,

On behalf of USSI,LLC, we respectfully submit this letter to formally offer the City of Hollywood the opportunity to utilize or “piggyback” on Contract No. IFB-604974-25/LAS, originally awarded by Seminole County for Wastewater Collection I&I, Smoke Testing.

This contract was competitively solicited and awarded in accordance with applicable procurement laws and regulations. The scope, pricing, terms, and conditions of the contract allow for cooperative use by other public agencies, including municipalities, subject to their internal approval processes.

By electing to piggyback on this contract, the City of Hollywood may obtain the contracted goods and/or services without the need for a separate competitive solicitation, while benefiting from established pricing, terms, and proven performance.

USSI,LLC confirms its willingness and ability to extend all applicable contract terms, conditions, and pricing to the City of Hollywood under this cooperative arrangement. We will fully support the City throughout the implementation process.

**Wastewater Inflow Abatement
Technologies & Services**

Please feel free to contact me at 941-408-5091 or dion@ussiusa.com should you require additional documentation, contract details, or have any questions regarding this offering.

We appreciate your time and consideration and look forward to the opportunity to support the City of Hollywood's Department of Public Utilities.

Sincerely,
Dion Vlasak

CEO
USSI,LLC
