

6.2. Reporting and Accounting. Each Municipality receiving Transportation Surtax Proceeds shall deposit and maintain all Transportation Surtax Proceeds in a segregated fund or account, which shall be subject to annual reporting by Municipality as part of Municipality's required independent financial audit, along with audit by County and/or the Oversight Board. Any interest earned or proceeds received by Municipality for any Transportation Surtax funds shall constitute Transportation Surtax Proceeds and may only be utilized by Municipality for Eligible Municipal Projects and in accordance with the terms of the applicable Surtax Funding Agreement. Upon prior written approval by County, Municipality may utilize other methods of separate accounting for the Transportation Surtax Proceeds provided the accounting method permits a full and complete audit of the funds.

6.3. Permitting. To limit public inconvenience and facilitate the expeditious and efficient completion of projects funded with Transportation Surtax Proceeds, for any project funded by Transportation Surtax Proceeds that is performed by County and is in whole or in part within the geographical boundaries of Municipality, that Municipality shall waive, unless prohibited by applicable state or federal law, all municipal permitting requirements, except that this requirement shall not apply to any portion of construction work performed by County that will be owned, operated, and maintained by that Municipality. This waiver shall apply to, without limitation, the requirements of permit application, permit issuance, inspections, and permitting fees. County shall be responsible for ensuring adequate plan review, inspections, and compliance with state and County standards for work performed by County. County shall waive all County permitting fees for Municipal Capital Projects and Municipal R&M Projects unless and to the extent prohibited by applicable state or federal law.

6.4. Road Closures. To the extent requested by County, each Municipality shall institute and comply with a cooperative notification program, in a format prescribed by County, that ensures County is promptly notified and promptly provided with data reasonably requested by County regarding all municipal roads in Municipality that are closed for any reason, including but not limited to construction of Eligible Municipal Projects, other construction, or flooding.

6.5. Branding and Marketing. Each Municipality shall participate in reasonable branding and marketing efforts in the manner and content prescribed by County, including but not limited to signage prominently acknowledging that the applicable projects are funded with Transportation Surtax Proceeds. Such branding and marketing shall utilize County-approved wording, logos, or other imagery that acknowledges the project contributions of County, the applicable Municipality or Municipalities, and other participating agencies, when applicable. Municipalities receiving Transportation Surtax funds must coordinate with MAP Administration regarding the type, location, and quantities of signage for each project. The costs for all construction signage, memorialized signage, and other branding and marketing materials requested by County pursuant to this section shall be paid by MAP Administration using Transportation Surtax Proceeds. County branding and marketing materials for Eligible Municipal Projects does not count towards the Minimum Annual Guarantee.

6.6. Data Collection and Sharing. To the extent requested by MAP Administration, each Municipality shall ensure that each of its projects funded in whole or in part with Transportation Surtax Proceeds includes incorporation and placement of sensors or other devices on municipal roads, rights-of-way, properties, and assets, for County-approved applications for mobility-related data collection purposes, provided such placement shall not unreasonably interfere with the aesthetics or Municipality's use of such roads, rights-of-way, properties, or assets. County shall fund the costs for any such incorporation and placement requested by County. To the extent that Municipality controls data collection from these sensors or other devices, each Municipality shall ensure the collection of data includes and is consistent with the scope, type, frequency, quantity, and format requested by County to facilitate countywide collection and utilization of transportation data. For the useful life of the applicable Eligible Municipal Project, to the extent requested by MAP Administration, each Municipality shall provide County with all access to such data, including recurring or real-time access or periodic download, as appropriate.

#### ARTICLE 7. GENERAL PROVISIONS

7.1. Term of Agreement. This 2025 ILA shall remain in full force and effect until all Transportation Surtax Proceeds paid by County for Eligible Municipal Projects have been fully expended by all Municipalities and ninety (90) days have elapsed after the Oversight Board has completed its review of each applicable Party's final audit.

7.2. No Impact on Future Levies. Nothing in this 2025 ILA shall impact in any way, whatsoever, any future ballot question seeking to impose, extend, or increase any levy of any surtax, or impact in any way any distribution from any such new, extended, or increased levy.

7.3. Funding Limited to Transportation Surtax Proceeds. County's funding obligations under this 2025 ILA shall be met using only Transportation Surtax Proceeds, and all funding provided by County shall be consistent with and subject to Applicable Law, including Section 129.01, Florida Statutes. Should there be a change in Applicable Law that results in the elimination or otherwise materially modifies the Transportation Surtax (e.g., a requirement that County reduce *ad valorem* taxes as a condition of keeping the Transportation Surtax, etc.), County shall have the right, in the County Commission's discretion, to terminate this 2025 ILA and any Surtax Funding Agreement then in effect, with such termination(s) effective as of the change in Applicable Law, and no further funding obligations pursuant to this 2025 ILA or the applicable Surtax Funding Agreement shall remain after the effective date of such termination. Notwithstanding the termination right referenced in the prior sentence, Surtax Funding Agreements that were executed prior to the effective date of the change in Applicable Law will not be terminated so long as the change in Applicable Law contains a "grandfathering" provision that permits County to continue funding such Surtax Funding Agreements with Transportation Surtax Proceeds through the expiration of such agreements. Any termination by County pursuant to this section shall not constitute a breach of any obligations to the Municipalities hereunder or under any Surtax Funding Agreement.

7.4. Amendment. This 2025 ILA may be amended, and such amendment shall be binding on all Parties, as follows:

7.4.1. By a written document formally approved by County and by such Municipalities that both (i) constitute a majority of Municipalities that are a Party to this 2025 ILA, and (ii) cumulatively represent more than 50% of Broward County's total population; and

7.4.2. Notwithstanding Section 7.4.1 above, no amendment that directly or indirectly: (i) creates any additional liability or obligation of any one Party (but not all Parties); (ii) disproportionately removes a right of only one Party; or (c) has a disproportionate, material adverse effect on any Party, will be effective unless it is approved by such Party (or Parties) as evidenced by the adoption of a resolution approving the amendment by that Party's (or Parties') elected body.

7.5. Governing Law, Venue, and Waiver of Jury Trial. This 2025 ILA shall be interpreted and construed in accordance with, and governed by, the laws of the State of Florida. The Parties agree that the exclusive venue for any lawsuit arising from, related to, on in connection with this 2025 ILA shall be in the state courts of the Seventeenth Judicial Circuit in and for Broward County, Florida. **BY ENTERING INTO THIS 2025 ILA, EACH PARTY EXPRESSLY WAIVES ANY AND ALL RIGHTS THAT PARTY MAY HAVE TO A TRIAL BY JURY OF ANY CAUSE OF ACTION OR CLAIM ARISING FROM, RELATED TO, OR IN CONNECTION WITH THIS 2025 ILA.**

7.6. Counterparts. This 2025 ILA may be executed in counterparts, whether signed physically or electronically, each of which shall be deemed an original, but all of which, taken together, shall constitute one and the same agreement.

7.7. Further Actions. If an audit conducted in connection herewith or in connection with Chapter 31½, Broward County Code of Ordinances, documents any misspent funds or other violation of this 2025 ILA by one or more Municipalities, the Party in violation shall promptly take all reasonable and required actions to correct the violation. This provision shall survive the expiration or earlier termination of this 2025 ILA.

7.13. Advice of Counsel. Each Party acknowledges and agrees that it has had the opportunity to consult with and be represented by counsel of its choice in connection with the negotiation and preparation of this 2025 ILA.

7.14. Individual Liability. Each Party agrees and stipulates that as of the Effective Date, there has been no known breach, by any Party, of any right, obligation, term, or other condition of the Original ILA, the First Amendment, and/or the Second Amendment. To the extent any Party has actual knowledge of any potential claim for a breach or default under the Original ILA, the First Amendment, and/or the Second Amendment that accrued prior to the Effective Date, each Party fully waives and releases such claims against each other Party. Notwithstanding anything in this section to the contrary, this section shall not in any way impact any claims, defenses, or rights that a Party may have pursuant to a Surtax Funding Agreement that was executed prior to the Effective Date and during the effective period of the Original ILA, the First Amendment, or the Second Amendment.

7.16. Measurement of Time; Time of the Essence. All time periods referenced in this 2025 ILA shall be measured in calendar days. Time is of the essence for all Municipality obligations under this 2025 ILA.
