

**AGREEMENT  
BETWEEN  
CITY OF HOLLYWOOD, FLORIDA  
AND  
T2 SYSTEMS, INC.  
FOR  
T2 UPSAFETY PERMITS AND ENFORCEMENT SOLUTION**

**THIS AGREEMENT** (“Agreement”) is by and between the City of Hollywood, Florida, a Florida municipal corporation (“City”), whose address is 2600 Hollywood Blvd., Florida 33022 and T2 Systems, Inc. (“Contractor”), whose address is 8900 Keystone Crossing, Suite 1200, Indianapolis, IN 46240, this \_\_\_\_ day of June, 2026.

**WHEREAS**, the City currently uses hardware and software from T2 Systems, Inc. for webhosting, extended warranty, and maintenance services for the City’s existing multi-space pay stations; and

**WHEREAS**, the City desires to purchase the T2 UPSafety Permits and Enforcement Software Solution to enable additional service features such as permit management, citation management, appeals and adjudication processing, patron portal functionality, back-office administration tools, and integrated enforcement software services for the City’s parking and police beach enforcement operations; and

**WHEREAS**, Section 38.41(C)(11)(a) of the City Code provides that software and hardware subscriptions, licensing, and maintenance with the company from which the software and hardware was purchased, as set forth in § 38.43 or § 38.44, or its authorized representative are exempt from the competitive bidding and competitive proposal requirements; and

**WHEREAS**, the City desires to purchase the associated software subscriptions, training, handheld printers, supplies, and related services (i.e., maintenance, replacements, and repairs) from Contractor subject to the terms and conditions of this Agreement, the City’s Procurement Code, and Florida law; and

**WHEREAS**, the Contractor agrees to provide the desired software and hardware services to the City in accordance with the terms and conditions of this Agreement.

**NOW, THEREFORE**, in consideration of the mutual promises contained herein and other good and valuable consideration of which the parties hereto acknowledge, the parties agree as follows:

1. Notwithstanding anything to the contrary herein, in the event of a conflict between the terms of this Agreement and the Exhibits, the terms of this Agreement shall prevail.
2. The above recitals are true and correct and are incorporated herein by reference.

3. The Contractor shall provide the software and hardware services to the City pursuant to the T2 Systems Parking Solution attached hereto as Exhibit “A” and incorporated herein by reference and made part of this Agreement.

4. The Contract Price is in the amount up to **\$296,134.00**.

5. This Agreement is in full force and effect upon full execution by the City and shall remain in effect for a term of **three (3) years**, unless terminated earlier in accordance with the terms set forth herein.

6. **Go-Live Deadline:** Contractor shall complete implementation and place the T2 UPSafety Enforcement Software into live operational status no later than October 1, 2026 (“Go-Live Deadline”).

7. The City, at its sole discretion, reserves the right to terminate this Agreement, with or without cause, upon providing seven (7) calendar days written notice to Contractor. Upon receipt of such notice, the Contractor shall not incur any additional costs under the Agreement. The City shall be liable only for the reasonable costs incurred by Contractor prior to the date of the notice of termination.

8. The Contractor shall indemnify, defend, and hold harmless the City and its officers, employees, agents, and instrumentalities from any and all liability, losses or damages, including reasonable attorney’s fees and costs of defense, which the City or its officers, employees, agents, or instrumentalities may incur as a result of third party claims, demands, suits, causes of actions, or proceedings arising out of, relating to, or resulting from the negligent or willful misconduct performance or non-performance of the agreement by the Contractor or its employees, agents, servants, partners, principals, or subcontractors. The Contractor shall pay claims and losses in connection therewith, and shall investigate and defend all claims, suits, or actions in the name of the City, where applicable, including appellate proceedings, and shall pay all direct costs, judgments, and reasonable attorney’s fees which may be incurred thereon. The Contractor expressly understands and agrees that any insurance protection required by this Agreement or otherwise provided by the Contractor shall in no way limit the responsibility to indemnify, keep and save harmless, and defend the City or its officers, employees, agents, and instrumentalities as herein provided the obligations of this section shall survive the term of this Agreement.

9. **NO DAMAGES FOR DELAY:** No claim for damages or any claim, other than for an extension of time, shall be made or asserted against the City by reason of any delays except as provided herein. Contractor shall not be entitled to an increase in the Contract Price or payment or compensation of any kind from the City for direct, indirect, consequential, impact or other costs, expenses or damages, including but not limited to costs of acceleration or inefficiency, arising from delay, disruption, interference or hindrance from any cause whatsoever, whether such delay, disruption, interference or hindrance be reasonable or unreasonable, foreseeable or unforeseeable, or avoidable or unavoidable. Contractor shall be entitled only to extensions of the Contract Time as the sole and exclusive remedy for such resulting delay, in accordance with and to the extent specifically provided above; provided, however, that this provision shall not preclude recovery of damages by Contractor for actual delays due solely to fraud, bad faith, or active interference on the part of the City or its Consultant.

10. **LIQUIDATED DAMAGES:** In the event the Contractor fails to meet the Go-Live Deadline as defined in the Customer Set Up Sheet, the Contractor shall pay the City liquidated damages in the amount of Two Hundred Fifty Dollars (\$250.00) per business day for each day the

system is not fully operational after October 1, 2026. Liquidated damages shall be limited to a maximum of 60 days. Liquidated damages will not apply for a City approved Excusable Delay as set forth in Section 9.

The Parties acknowledge and agree that the actual damages the City would incur as a result of delayed implementation would be difficult to determine and that the liquidated damages amount represents a reasonable estimate of anticipated damages and is not intended as a penalty.

Because the Contractor collects citation revenue, which includes a processing portion retained by Contractor, and remits weekly payments to the City, any liquidated damages assessed under this section shall be paid by remitting any processing portion normally kept by Contractor, until the liquidated damages amount is paid.

11. EXCUSABLE DELAY: Delay which extends the completion of the Go-Live Deadline which is caused by the actions, inactions or active interference on the part of the City or its agents is an Excusable Delay including the accuracy and cleanliness of the database provided by the City to Contractor. Contractor is entitled to a time extension of the Go-Live Deadline for each day the work is delayed due to Excusable Delay. Contractor shall document its claim for any time extensions as provided below pursuant to Notification of Change of Contract Time hereof. The Contractor shall be entitled only to a time extension and no further compensation for the delay.

Failure of Contractor to comply with the Notification of Change of Contract Time below as to any particular event of delay shall be deemed conclusively to constitute a waiver, abandonment or relinquishment of any and all claims resulting from that particular event of delay.

#### NOTIFICATION OF CHANGE OF CONTRACT TIME OR CONTRACT PRICE:

Any claim for a change in the Go-Live Deadline shall be made by written notice of the nature of the claim with supporting data and delivered by Contractor to the City as set forth in Section 10, with a contemporaneous email copy to the City's Operations Administrator, within two (2) calendar days of the Contractor's actual knowledge of the commencement of the event giving rise to the claim and stating the general nature of the claim. Upon written request by the Contractor, the City may, in its sole discretion, allow in writing an additional period of time to ascertain more accurate data in support of the claim. All claims for adjustment in the Go-Live Deadline shall be determined by the City Assistant Manager. **NO CLAIM FOR AN ADJUSTMENT IN THE GO-LIVE DEADLINE WILL BE VALID IF NOT SUBMITTED IN STRICT ACCORDANCE WITH THE REQUIREMENTS OF THIS SECTION.**

The CONTRACT TIME will be extended in an amount equal to time lost due to excusable delays and through no fault or negligence of Contractor if a claim is made therefore as provided in this Section and Section 10 of this contract.

12. Whenever either Party desires to give notice to the other, such notice must be in writing, sent by certified United States Mail, postage prepaid, return receipt requested, or sent by commercial express carrier with acknowledgement of delivery, or by hand delivery with a request for a written receipt of acknowledgment of delivery, addressed to the party for whom it is intended at the place last specified. The place for giving notice shall remain the same as set forth herein until changed in writing in the manner provided in this section. For the present, the Parties designate the following:

Contractor shall comply with public records laws, specifically to:

- i. Keep and maintain public records required by the City to perform the service.
- ii. Upon request from the City's custodian of public records, provide the City with a copy of the requested records or allow the records to be inspected or copied within a reasonable time at a cost that does not exceed the cost provided in Florida Statute or as otherwise provided by law.
- iii. Ensure that public records that are exempt or confidential and exempt from

public records disclosure requirements are not disclosed except as authorized by law for the duration of the Agreement term and following completion of the Agreement if the Contractor does not transfer the records to the City.

- iv. Upon completion of the Agreement, transfer, at no cost, to the City all public records in possession of the Contractor or keep and maintain public records required by the City to perform the service. If the Contractor transfers all public records to the City upon completion of the Agreement, the Contractor shall destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. If the Contractor keeps and maintains public records upon completion of the Agreement, the Contractor shall meet all applicable requirements for retaining public records. All records stored electronically must be provided to the City, upon request from the City's custodian of public records, in a format that is compatible with the information technology systems of the City.
- v. If the Contractor does not comply with this section, the City shall enforce the contract provisions in accordance with the contract and may unilaterally cancel this contract in accordance with state law.

16. The continuation of this Agreement beyond the end of any fiscal year shall be subject to both the appropriation and the availability of funds in accordance with Florida law.

17. By entering into this Agreement, Contractor acknowledges its obligation to comply with the provisions of Section 448.095, Fla. Stat., "Employment Eligibility." Contractor affirms and represents it is registered with the E-Verify system, utilizing same, and will continue to utilize same as required by law. Compliance with this section includes, but is not limited to, utilization of the E-Verify System to verify the work authorization status of all newly hired employees and requiring all subcontractors to provide an affidavit attesting that the subcontractor does not employ, contract with, or subcontract with, an unauthorized alien. Failure to comply with this section will result in the termination of this Agreement, or if your subcontractor knowingly violates the statute, the subcontract must be terminated immediately. Any challenge to termination under this provision must be filed in the Circuit Court no later than 20 calendar days after the date of termination. If terminated for a violation of the statute by Contractor, the Contractor may be prohibited from conducting future business with the City or awarded a solicitation or contract for a period of 1 year after the date of termination. All costs incurred to initiate and sustain the aforementioned programs shall be the responsibility of the Contractor.

18. Pursuant to Section 287.134, Florida Statutes, an entity or affiliate who has been placed on the discriminatory vendor list may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity; may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity. By execution of this Agreement, Contractor represents that it has not been placed on the discriminatory vendor list as provided in Section 287.134, Florida Statutes.

19. Pursuant to Section 287.135, Contractor is ineligible to enter into, or renew, this Agreement if Contractor is on the Scrutinized Companies that Boycott Israel List (as identified in Section 215.4725, Florida Statutes), or is engaged in a boycott of Israel.

- a. By entering into this Agreement, Contractor certifies that Contractor is not on the Scrutinized Companies that Boycott Israel List, and that Contractor is not engaged in a boycott of Israel.
- b. Contractor shall notify the City if, at any time during the term of this Agreement, Contractor is placed on the Scrutinized Companies that Boycott Israel List, or that Contractor is engaged in a boycott of Israel. Such notification shall be in writing and provided by Contractor to the City within ten (10) days of the date of such occurrence.
- c. In the event the City determines, using credible information available to the public, that Contractor has submitted a false certification or Contractor is found to have been placed on the Scrutinized Companies that Boycott Israel List or engaged in a boycott of Israel, the City may, in its sole discretion, terminate this Agreement and seek a civil penalty, and other damages and relief, against Contractor, pursuant to Section 287.135, Florida Statutes. In addition, the City may pursue any and all other legal remedies against Contractor.
- d. Contractor shall not seek damages, fees, or costs against the City in the event the City terminates the Agreement pursuant to this provision.

20. By its execution of this Agreement, Contractor acknowledges that it has been informed by City of, and is in compliance with the terms of Section 287.133(2)(a) of the Florida Statutes which read as follows:

"A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid, proposal, or reply on a contract to provide any goods or services to a public entity; may not submit a bid, proposal, or reply on a contract with a public entity for the construction or repair of a public building or public work; may not submit bids, proposals, or replies on leases of real property to a public entity, may not be awarded or perform work as a contractor, supplier, subcontractor, or consultant under a contract with any public entity; and may not transact business with any public entity in excess of the threshold amount provided in s. 287.017 for CATEGORY TWO for a period of 36 months following the date of being placed on the convicted vendor list."

21. T2 is committed to compliance with all applicable accessibility laws and standards, including the Americans with Disabilities Act, WCAG 2.1, Section 508, and Section 504 of the Rehabilitation Act. T2 acknowledges the importance of accessibility and intends to work collaboratively with the City to meet its accessibility objectives. However, in the event T2 is selected for award, T2 seeks to discuss a commercially reasonable framework that accounts for the complexity of achieving and maintaining full accessibility conformance across all system components. T2's request does not diminish its commitment to accessibility but rather reflects its desire to align the contractual terms with a realistic and good-faith compliance roadmap. Included

in this map, T2 will endeavor to have the patron side of its UPSafety software complete with the VPAT document ready for review.

***Accessibility Conformance Report (ACR) Requirement***

- i. T2 shall provide a **current Accessibility Conformance Report (ACR)**, prepared using the **most recent ITI VPAT® template**, for any Information and Communication Technology (“ICT”) UPSafety Patron Portal under this Contract by April 26, 2027.
- ii. The ACR must:
  - a. Be **product-specific** and **version-specific**, covering the exact configuration, modules, and features proposed for City patron use.
  - b. Be **no more than twelve (12) months old** at the time of submission, unless otherwise approved in writing by the City.
  - c. Include results from both **manual and automated accessibility testing**, including testing with assistive technologies such as screen readers and keyboard-only navigation.
  - d. Identify each criterion as **Supports, Partially Supports, Does Not Support, or Not Applicable**, with **specific, non-boilerplate remarks**.
  - e. Clearly disclose any known accessibility limitations, workarounds, and planned remediation.
  - f. Cover all patron facing systems.
  - g. Include a Warranty of Conformance to WCAG 2.1 AA. by April 26, 2027.
- iii. T2 shall submit the ACR: **Annually**, and **after each major release**, throughout the Contract Term. VPAT must occur upon each major release, or system change that materially affects accessibility.
- iv. If the ACR identifies any criteria marked “Partially Supports” or “Does Not Support,” Contractor shall upon request by the city, have thirty (30) business days:
  - a. Provide a **written Remediation Plan** with timelines of not more than six (6) months;

Accessibility remediation is a **material obligation** of this Contract. If remediation is not completed within the required timeframe and the updates provided do not demonstrate meaningful progress toward full remediation, as determined by the City, the City may enforce the provisions of subsection vii below.

T2 bears independent responsibility to frequently test and verify system accessibility, proactively identify issues, and remediate them without waiting for City identification or reporting. Notwithstanding the foregoing, with respect to any issue that T2 has not independently identified through its own testing and monitoring, the applicable six (6) month and thirty (30) day remediation periods shall not commence until the City notifies T2 in writing of such issue. For clarity, nothing in this provision relieves T2 of its ongoing obligation to proactively test, monitor, identify, and remediate issues; rather, this provision addresses only the commencement of the specified remediation periods for issues first identified and reported by the City.

If WCAG 2.1 AA accessibility standards change during the Contract Term, T2 shall ensure full conformance to the updated standard before its effective compliance deadline.

T2 will make changes to the software to test new functionality and user workflows. The software testing and “Non-Generally Available” features may not meet the WCAG 2.1 guidelines and are not to be subject

to the guidelines since we expect the functionality to change several times to meet the ideal workflow and condition. The City will need to “turn on” these features once the software is generally available.

v. **No Regression:**

T2 shall ensure that updates, patches, releases, or configuration changes do not reduce accessibility. A refreshed ACR must accompany any update that materially affects functionality.

T2 must ensure conformance to the WCAG 2.1 standard for all patron facing software is maintained throughout the Contract Term, including proactive monitoring and re-verification.

vi. **Failure to Comply:**

The City may withhold payment, decline acceptance, require remediation at T2’s expense, or terminate the Contract for cause if T2 fails to provide a current, accurate ACR or fails to maintain required accessibility standards after notification by the City and in line with the terms above.

22. Pursuant to Fla. Stat. §286.101(3), where the amount of the Agreement is \$100,000.00 or more, Contractor shall disclose any current or prior interest of, any contract with, or any grant or gift received from a country of foreign concern with a value of \$50,000 or more that was received or in force during the previous five (5) years. Definitions, disclosure requirements and exceptions are found in Fla. Stat. §268.101. Contractor represents and warrants it has complied with Fla. Stat. §286.101, it has properly disclosed such interests, contracts, grants or gifts to the City before execution of this Agreement, and it will remain in compliance with Fla. Stat. §286.101 for the duration of this Agreement.

23. Section 287.138, Florida Statutes, prohibits the City from entering into a contract which would give access to an individual's personal identifying information with an entity with; a Controlling Interest (as that term is defined in sub-section 287.138(1)(a)), or full ownership, held by a Foreign Country of Concern (as that term is defined in sub-section 287.138(1)(c)), or with a principal place of business in a Foreign Country of Concern, unless the entity provides the City with an affidavit signed by an officer or representative of the entity under penalty of perjury attesting that the entity does not meet any of the criteria in paragraphs (2)(a)-(c) of the statute. Upon submitting its Work Order, Contractor shall certify compliance with section 287.138, Florida Statutes, by executing the Proposer Certification regarding Entities of Foreign Countries of Concern, which is included in Attachment 2. The City reserves the right to terminate any agreement in which a CONTRACTOR provides a false certification or otherwise violates Section 287.138, Florida Statutes.

24. Contractor has fully complied with Florida Statute §787.06(13), which requires all nongovernmental entities executing, renewing, or extending a contract with a governmental entity to provide an affidavit signed by an officer or representative of the nongovernmental entity under penalty of perjury that the nongovernmental entity does not use coercion for labor or services as defined in that statute as evidenced by affidavit provided to the City.

25. Contractor shall provide insurance in accordance with Exhibit “B” attached hereto.

**IN WITNESS WHEREOF**, the City and Contractor executed this contract as of the day and year first above written.

FURTHER, T2 SYSTEMS DOES NOT WARRANT THAT ANY SOFTWARE WILL OPERATE ON ANY PARTICULAR CONFIGURATION OF SOFTWARE, OPERATING SYSTEM OR COMPUTER SYSTEM. ANY HARDWARE PURCHASED FROM SOURCES OUTSIDE OF T2 SYSTEMS WILL BE THE SOLE RESPONSIBILITY OF THE CUSTOMER. - (b) IN NO EVENT WILL T2 SYSTEMS OR ITS THIRD PARTY SUPPLIERS BE LIABLE IN ANY WAY FOR ANY INDIRECT, SPECIAL, CONSEQUENTIAL, INCIDENTAL, PUNITIVE, EXEMPLARY OR AGGRAVATED DAMAGES OF ANY KIND WHATSOEVER, INCLUDING, BUT NOT LIMITED TO, DAMAGES FOR LOSS OF USE, DATA, INCOME, BUSINESS, PROFIT, GOODWILL, ANTICIPATED REVENUE, FAILURE TO REALIZE EXPECTED SAVINGS, OR OTHERWISE, HOWEVER CAUSED, WHETHER BASED ON CONTRACT, TORT (INCLUDING NEGLIGENCE), STRICT LIABILITY, WARRANTY, STATUTORY RIGHTS OR ANY OTHER BASIS ARISING OUT OF CUSTOMER'S USE OF THE PRODUCTS, OR OTHERWISE ARISING PURSUANT TO THIS AGREEMENT.
- (c) WITHOUT LIMITING THE GENERALITY OF THE FOREGOING, DUE TO THE NATURE OF INTERNET AND WIRELESS TRANSMISSIONS, CUSTOMER AGREES THAT NEITHER T2 SYSTEMS NOR THE UNDERLYING WIRELESS DATA SERVICES CARRIER SHALL BE LIABLE FOR ANY LOSS, COSTS OR DAMAGES OF ANY KIND ARISING OUT OF OR IN CONNECTION WITH: ANY LACK OF PRIVACY OR SECURITY OF WIRELESS TRANSMISSIONS; SERVICES INTEROPERABILITY, ACCESS OR INTERCONNECTIONS WITH THE T2 SYSTEMS SERVICES; SERVICE DEFECTS, SERVICE LEVELS, DELAYS OR INTERRUPTIONS; ANY INTERRUPTION OR ERROR IN ROUTING OR COMPLETING CALLS OR OTHER TRANSMISSIONS; LOST OR ALTERED MESSAGES OR TRANSMISSIONS; OR UNAUTHORIZED ACCESS TO OR THEFT, ALTERATION, LOSS OR DESTRUCTION OF CUSTOMER'S CONTENT, DATA, PROGRAMS CONFIDENTIAL INFORMATION OR SYSTEMS.
- (d) NO ACTION, REGARDLESS OF FORM, ARISING OUT OF THIS AGREEMENT MAY BE BROUGHT BY CUSTOMER MORE THAN TWELVE (12) MONTHS AFTER THE FACTS GIVING RISE TO THE CAUSE OF ACTION HAVE OCCURRED, REGARDLESS OF WHETHER THOSE FACTS BY THAT TIME ARE KNOWN TO, OR OUGHT REASONABLY TO HAVE BEEN DISCOVERED BY, CUSTOMER.
- (e) THE FOREGOING LIMITATIONS SHALL APPLY REGARDLESS OF THE CAUSE OF ACTION, WHETHER ARISING UNDER CONTRACT, TORT (INCLUDING NEGLIGENCE), PRODUCT LIABILITY, OR OTHERWISE, AND REGARDLESS OF WHETHER T2 SYSTEMS, ITS THIRD PARTY SUPPLIERS AND/OR THEIR REPRESENTATIVES KNEW, OR SHOULD HAVE KNOWN ABOUT THE POSSIBILITY OF SUCH DAMAGES.
- (f) CUSTOMER AGREES THAT THE LIMITATIONS OF LIABILITY SET FORTH ABOVE ARE FUNDAMENTAL ELEMENTS OF THIS AGREEMENT, WITHOUT WHICH T2 SYSTEMS WOULD NOT HAVE ENTERED INTO THIS AGREEMENT AND/OR AGREED TO PROVIDE THE PRODUCTS AND/OR SERVICES UNDER THE CURRENT TERMS (INCLUDING FEES).
- (g) THIS SECTION SHALL APPLY TO ANY ACTION OR ARBITRATION HEREUNDER. BECAUSE THE LAWS OF SOME LOCATIONS DO NOT ALLOW THE LIMITATION AND/OR EXCLUSION OF LIABILITY, THE ABOVE LIMITATION OR EXCLUSION MAY NOT APPLY TO ALL CUSTOMERS.

**12. TERMINATION.**

- (a) Each Addendum may be terminated according to its terms and the terms of this Agreement.
- (b) In the event that there are no Addenda in effect, either party may terminate this Agreement without cause by written notice to the other party, which termination shall be effective as of the last day of the calendar month following the month in which notice of termination is received.
- (c) Either party may terminate this Agreement or any Addendum if the other party breaches any of its representations or warranties, or any other material obligation under this Agreement or the applicable Addendum, and fails to remedy such breach with thirty (30) days of receipt of notice from the non-breaching party. T2 Systems shall also have the right to suspend performance of all or any of the Services under an Addendum, without liability, pending the rectification of any breach by Customer.

- (d) Either party may terminate this Agreement or any Addendum, immediately upon written notice, if the other party makes an assignment for the benefit of its creditors or becomes bankrupt or makes an application for relief under the provisions of any statute now or hereafter in force concerning bankrupt or insolvent debtors, or if a receiving order or receivership order is made against the other party, or any action whatsoever, legislative or otherwise be taken to effect the winding up, dissolution, suspension of operations or liquidation of the other party. Notwithstanding the foregoing, the Customer shall not be entitled to terminate this Agreement under this Section if T2 Systems, or its creditors, or some other party makes suitable provisions for the performance of its obligations hereunder.
- (e) Without limiting any other remedies available under this Agreement, at law or in equity, in the event of the termination of this Agreement or any applicable Addendum for any reason:
  - (i) T2 System's obligation to provide the affected Products and Services will terminate;
  - (ii) All unpaid amounts due in respect of the terminated Services up to and including the effective date of termination shall, at T2 System's option, become immediately due and payable;
  - (iii) Customer is not entitled to a refund for any affected Products and Services that are in process or not completed, including labor and any expenses T2 Systems may have incurred up to the effective date of termination;
  - (iv) Customer must destroy any copies of the Documentation in Customer's possession in any form and on any media, and certify to T2 Systems in writing that it has done so;

- (f) No Limitation of Remedies. Any termination of the Agreement shall not in any respect limit any of either party's rights or remedies either in law or in equity or relieve either party of any obligation incurred prior to the effective date of such termination.

**13. DISPUTE RESOLUTION.**

- (a) Dispute Resolution. In the event of any dispute arising out of this Agreement (including all Addenda), the parties shall use commercially reasonable efforts to negotiate a settlement in good faith satisfactory to both parties. If they do not reach a solution within a period of sixty (60) days (or such other longer period as the parties may agree), then either party may, on written notice to the other party, refer the dispute for settlement by arbitration before a single arbitrator in accordance with the rules of the American Arbitration Association. The costs of the arbitrator will be borne equally by the parties, but they will otherwise bear their respective costs incurred in connection with the arbitration. The parties shall select the arbitrator promptly and use commercially reasonable efforts to conduct the arbitration hearing no later than three (3) months after the arbitrator is selected. The arbitrator may not award punitive or exemplary damages against either party or any other relief in excess of the limitations set forth herein. The judgment and award of the arbitrator will be final and binding on each party. Judgment upon the award may be entered in any court having jurisdiction, or application may be made to such court for judicial acceptance of the award and/or an order of enforcement as the case may be.
- (b) Injunctive Relief. Each party acknowledges and agrees that a breach of the obligations under Section 5 ("Ownership") and Section 6 ("Confidentiality") may cause irreparable harm and significant injury to the affected party that would not be adequately compensated by an award of money damages and, in addition to any other remedy available at law or in equity, and notwithstanding the provisions of Section 13(a), the affected party will be entitled to seek temporary and permanent injunctive relief from any court of competent jurisdiction to prevent breaches hereunder, without showing or proving any actual or threatened damage.
- (c) Choice of Law. This Agreement and all Addenda are governed by the laws of the State of Florida.

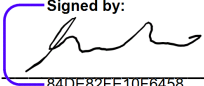

**14. GENERAL PROVISIONS.**

- (a) Assignment. T2 Systems may assign its rights and obligations under this Agreement. Customer may not assign or transfer any of its rights or obligations under this Agreement to any person without the express prior written consent of T2 Systems.
- (b) Entire Agreement. Customer acknowledges that this Agreement including the Customers Agreement above, all Addenda, SOW's, Quotes and other attachments referencing this Agreement, comprise the entire understanding and agreement between parties regarding the Products and Services to be provided hereunder and supersedes all prior written and oral agreements, purchase orders, proposals, representations, understandings, promises, descriptions or other communications between the parties regarding the same. If Customer submits an order form with contrary terms or conditions, such order form shall be considered only as confirmation of the order and shall in no way amend, prevail over, supplement, or supersede any of the provisions of this Agreement or any Addenda.
- (c) Piggyback Cooperative Purchasing. It is understood and agreed by Customer that a third party may purchase the goods and services specified herein in accordance with the terms and conditions of this Agreement for the purposes of piggyback purchasing. It is also mutually understood and agreed the third party will issue its own purchasing documents for the goods and services, be invoiced therefrom and make its own payments to T2 Systems in accordance with the terms of the contract established between the third party and T2 Systems. T2 Systems and the third party will agree separately on scope and pricing for the goods and services. Customer shall bear no responsibility or liability to any contractual agreement made between T2 Systems and any other third party.

In such event, the party affected shall be excused from performance on a day-to-day basis to the extent of the delay, and the other party shall likewise be excused from the performance of its obligations on a day-to-day basis to the extent such party's obligations related to the performance are so delayed. Where an Event of Force Majeure occurs, the party who is delayed or fails to perform shall give prompt notice to the other party. In the event such inability to perform shall continue longer than sixty (60) Days, the party which has received or which was entitled to receive notice may terminate the Agreement by notice to the other party without further liability, expense, or cost of any kind. - (f) Tariff Surcharge
  - (i) Tariff Surcharge Implementation: If, after the Effective Date of this Agreement, any governmental authority enacts or imposes new or additional tariffs, import/export duties, surcharges, taxes, or similar fees ("Tariff Surcharges") that increases the costs of goods, materials, and/or services provided for under this Agreement or any product specific addendum, T2 shall have the right to pass through such costs to Customer. Tariff Surcharges shall be calculated as either (1) a percentage-based fee applied to the total cost of applicable good or services, or (2) a fixed fee per affected order, shipment, or service. The Tariff Surcharge shall remain in effect for as long as the applicable tariffs remain in place. If tariffs are reduced or eliminated, T2 will evaluate and adjust or remove the surcharge accordingly.

- (iii) **Transparency and Customer Acknowledgment:** The Tariff Surcharge shall be separately itemized on Order Forms and shall not be considered part of the base price of goods or services. This surcharge is implemented solely to recover tariff-related costs and does not reflect an increase in profit margins. By entering into this agreement, the Customer acknowledges and agrees to the application of the Tariff Surcharge as outlined in this section and agrees to remit payment accordingly.
- (g) **Independent Contractors.** The parties are independent contractors. Nothing herein shall be construed to create any legal partnership, joint venture, agency or any other relationship between the parties.

T2 Systems, from time to time may send general communications and/or notices to all its customers and such notices shall be deemed to have been given when delivered by email.
- (i) **No Waiver.** No delay or failure to take any action or exercise any rights under this Agreement shall constitute a waiver or consent unless expressly waived or consented to in writing. A waiver of any event does not apply to any other or subsequent event, even if in relation to the same subject-matter.
- (j) **Publicity.** Except as expressly agreed in writing, neither party shall issue any press release, or otherwise publicly identify the other as a customer or supplier, in any marketing materials or otherwise, without the express prior authorization of the other party.
- (k) **Severability.** If any provision contained in this Agreement is found by a court of competent jurisdiction to be invalid, illegal or unenforceable in any respect, it shall be deemed severed from this Agreement and the remaining provisions of this Agreement shall not be in any way affected or impaired thereby and shall continue in full force and effect.
- (l) **Amendment.** This Agreement may be modified or amended only if the amendment is made in writing and is signed by both parties.
- (m) **Counterparts.** This Agreement and each Addenda may be executed by the parties in counterparts with the same effect as if they had signed the same document and all counterparts shall be construed together and shall constitute one and the same agreement. ## APPENDIX B: MERCHANT SERVICES ADDENDUM FOR SUB-MERCHANTS

This MERCHANT SERVICES ADDENDUM FOR SUB-MERCHANTS ("Agreement") is made with City of Hollywood ("Sub-merchant") in connection with the agreement between Sub-merchant and T2 Systems, Inc. ("T2"). T2's designated financial institution ("Bank") and payment processor ("Processor") that T2 has contracted with to support the Services and are members of the Associations providing sponsorship services in connection with this Agreement, will provide Sub-merchant with certain payment processing services ("Services") in accordance with the terms of this Agreement. In consideration of Sub-merchant's receipt of credit or debit card funded payments, and participation in programs affiliated with MasterCard International Inc. ("MasterCard"), VISA U.S.A. Inc. ("VISA"), Discover ("Discover"), American Express ("Amex") and certain similar entities (collectively, "Associations"), Sub-merchant is required to comply with the Operating Regulations (defined below) as they pertain to applicable credit and debit card payments. In addition, if Sub-merchant meets certain requirements under the Operating Regulations or an Association or the Operating Regulations otherwise require, Sub-merchant may be required to enter into a direct relationship with an entity that is a member of the Associations. By executing this Agreement, Sub-merchant has fulfilled such requirement. However, Processor understands that Sub-merchant may have contracted with T2 to obtain certain processing services and that T2 may have agreed to be responsible to Sub-merchant for all or part of Sub-merchant's obligations contained herein. Bank and Processor may be changed at any time without prior notice.

NOW, THEREFORE, in consideration of the foregoing recitals and of the mutual promises contained herein, the parties agree as follows:

1. **Certain Sub-merchant Responsibilities.** Sub-merchant agrees to comply, and to cause third parties acting as Sub-merchant's agent ("Agents") to comply, with the Association's and other payment network's by-laws, operating regulations and/or all other rules, policies and procedures, including but not limited to the Payment Card Industry Data Security Standard, the VISA Cardholder Information Security Program, the MasterCard Site Data Protection Program, and any other program or requirement that may be published and/or mandated by the Associations or payment networks (collectively "Operating Regulations"). Sub-merchant may review the VISA, MasterCard, Discover and Amex websites for a copy of the Visa, MasterCard, American Express and Discover regulations. Sub-merchant also agrees to comply with all applicable state, federal, and local laws, rules, and regulations ("Laws"). Without limiting the foregoing, Sub-merchant agrees that it will fully comply with any and all anti-money laundering laws and regulations, including but not limited to the Bank Secrecy Act, the US Treasury's Office of Foreign Assets Control (OFAC) and the Federal Trade Commission. For purposes of this section, Agents include, but are not limited to, Sub-merchant's software providers and/or equipment providers. T2 may suspend or terminate the Services at any time if Sub-Merchant is not eligible under Law or Operating Regulations to use the Services, and T2 reserves the right to establish certain limits on Sub-Merchant's processing volume at any time in its reasonable discretion

If appropriately indicated in Sub-merchant's agreement with T2, Sub-merchant may be a limited-acceptance merchant, which means that Sub-merchant has elected to accept only certain Visa and MasterCard card types (i.e., consumer credit, consumer debit, and commercial cards) and must display appropriate signage to indicate the same. Processor has no obligation other than those expressly provided under the Operating Regulations and applicable law as they may relate to limited acceptance. Sub-merchant, and not Processor, will be solely responsible for the implementation of its decision for limited acceptance, including but not limited to policing the card type(s) accepted at the point of sale.

Sub-merchant shall only complete sales transactions produced as the direct result of bona fide sales made by Sub-merchant to cardholders, and is expressly prohibited from presenting sales transactions which are produced as a result of sales made by any person or entity other than Sub-merchant, or for any purposes related to any illegal or prohibited activity, including but not limited to money-laundering or financing of terrorist activities.

Sub-merchant may set a minimum transaction amount to accept a card that provides access to a credit account, under the following conditions: i) the minimum transaction amount does not differentiate between card issuers; ii) the minimum transaction amount does not differentiate between MasterCard, Visa, or any other acceptance brand; and iii) the minimum transaction amount does not exceed ten dollars (or any higher amount established by the Federal Reserve). Sub-merchant may set a maximum transaction amount to accept a card that provides access to a credit account, under the following conditions: Sub-merchant is a i) department, agency or instrumentality of the U.S. government; ii) corporation owned or controlled by the U.S. government; or iii) Sub-merchant whose primary business is reflected by

one of the following MCCs: 8220, 8244, 8249 –Schools, Trade or Vocational; and the maximum transaction amount does not differentiate between MasterCard, Visa, or any other acceptance brand.

**2. Sub-merchant Prohibitions.** Sub-merchant must not (i) require a cardholder to complete a postcard or similar device that includes the cardholder's account number, card expiration date, signature, or any other card account data in plain view when mailed; (ii) add any tax to transactions, unless applicable law expressly requires that a Sub-merchant impose a tax (any tax amount, if allowed, must be included in the transaction amount and not collected separately); (iii) request or use an account number for any purpose other than as payment for its goods or services; (iv) disburse funds in the form of travelers checks if the sole purpose is to allow the cardholder to make a cash purchase of goods or services from Sub-merchant; (v) disburse funds in the form of cash unless Sub-merchant is dispensing funds in the form of travelers checks, TravelMoney cards, or foreign currency (in such case, the transaction amount is limited to the value of the travelers checks, TravelMoney cards, or foreign currency, plus any commission or fee charged by the Sub-merchant), or Sub-merchant is participating in a cash back service; (vi) submit any transaction receipt for a transaction that was previously charged back to the Processor and subsequently returned to Sub-merchant, irrespective of cardholder approval; (vii) accept a Visa consumer credit card or commercial Visa product issued by a U.S. issuer to collect or refinance an existing debt; (viii) accept a card to collect or refinance an existing debt that has been deemed uncollectable; or (ix) submit a transaction that represents collection of a dishonored check. Sub-merchant further agrees that, under no circumstance, will Sub-merchant store cardholder data in violation of the Laws or the Operating Regulations including but not limited to the storage of track-2 data. Neither Sub-merchant nor its Agent shall retain or store magnetic-stripe data subsequent to the authorization of a sales transaction.

**3. Settlement.** Upon receipt of Sub-merchant's sales data for card transactions, Processor will process Sub-merchant's sales data to facilitate the funds transfer between the various Associations and Sub-merchant. After Processor receives credit for such sales data, subject to the terms set forth herein, Processor will fund Sub-merchant, either directly to the Sub-merchant -Owned Designated Account or through T2 to an account designated by T2 ("T2Designated Account"), at Processor's discretion, for such card transactions. Sub-merchant agrees that the deposit of funds to the T2 Designated Account, if applicable, shall discharge Processor of its settlement obligation to Sub-merchant, and that any dispute regarding the receipt or amount of settlement shall be between T2 and Sub-merchant. Processor will debit the T2Designated Account for funds owed to Processor as a result of the Services provided hereunder, provided that Processor may also debit Sub-merchant's designated demand deposit account ("Sub-merchant -Owned Designated Account") upon receipt of such account information from Sub-merchant or T2, or if Processor deposits settlement funds into the Sub-merchant -Owned Designated Account. Further, if a cardholder disputes a transaction, if a transaction is charged back for any reason, or if Processor reasonably believes a transaction is unauthorized or otherwise unacceptable, the amount of such transaction may be charged back and debited from Sub-merchant or T2.

**4. Term and Termination.** This Agreement shall be binding upon Sub-merchant's execution. The term of this Agreement shall begin, and the terms of the Agreement shall be deemed accepted and binding upon Processor, on the date Processor accepts this Agreement by issuing a merchant identification number, and shall be coterminous with T2's agreement with Sub-merchant.

Notwithstanding the foregoing, Processor may immediately cease providing Services and/or terminate this Agreement without notice if (i) Sub-merchant or T2 fails to pay any amount to Processor when due, (ii) in Processor's opinion, provision of a service to Sub-merchant or T2 may be a violation of the Operating Regulations or any Laws, (iii) Processor believes that Sub-merchant has violated or is likely to violate the Operating Regulations or the Laws, (iv) Processor determines Sub-merchant poses a financial or regulatory risk to Processor or an Association, (v) Processor's agreement with T2 terminates, (vi) any Association deregisters T2, (vii) Processor ceases to be a member of the Associations or fails to have the required licenses, or (viii) Processor is required to do so by any of the Associations.

**5. Indemnification.** Intentionally deleted.

**6. Limits of Liability.** Sub-merchant agrees to provide Processor, via communication with T2, with written notice of any alleged breach by Processor of this Agreement, which notice will specifically detail such alleged breach, within thirty (30) days of the date on which the alleged breach first occurred. Failure to so provide notice shall be deemed an acceptance by Sub-merchant and a waiver of any and all rights to dispute such breach.

EXCEPT FOR THOSE EXPRESS WARRANTIES MADE IN THIS AGREEMENT, PROCESSOR DISCLAIMS ALL WARRANTIES, INCLUDING, WITHOUT LIMITATION, ANY EXPRESS OR IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE. Sub-merchant's sole and exclusive remedy for any and all claims against Processor arising out of or in any way related to the transactions contemplated herein shall be termination of this Agreement. In the event that Sub-merchant has any claim arising in connection with the Services, rights, and/or obligations defined in this Agreement, Sub-merchant shall proceed against T2 and not against Processor, unless otherwise specifically set forth in the Operating Regulations. In no event Processor shall have any liability to Sub-merchant with respect to this Agreement or the Services. Sub-merchant acknowledges Processor is only providing this Agreement to assist in T2's processing relationship with Sub-merchant, that Processor is not liable for any action or failure to act by T2, and that Processor shall have no liability whatsoever in connection with any products or services provided to Sub-merchant by T2. If T2 is unable to provide its services to Sub-merchant in connection with this Agreement and Processor elects to provide those services directly, Sub-merchant acknowledges and agrees that the provisions of this Agreement will no longer apply and the terms of Processor's then current Bank Card Merchant Agreement, which would be provided to Sub-merchant, will govern Processor's relationship with Sub-merchant. If T2 subsequently provides its services to Sub-merchant in connection with this Agreement, Processor will cease to provide such services after receipt of notice from T2 and this Agreement will govern Processor's relationship with Sub-merchant.

**7. Miscellaneous.** This Agreement may not be assigned by Sub-merchant without the prior written consent of Processor. This Agreement shall be binding upon and inure to the benefit of the parties hereto and their respective successors, transferees and assignees. This Agreement is for the benefit of, and may be enforced only by, Processor and Sub-merchant and is not for the benefit of, and may not be enforced by, any other party. Processor may amend this Agreement upon notice to Sub-merchant in accordance with Processor's standard operating procedure. If any provision of this Agreement is determined to be illegal or invalid, such illegality or invalidity of that provision will not affect any of the remaining provisions and this Agreement will be construed as if such provision is not contained in the Agreement "Bank" as used in this Agreement shall mean a member of VISA, MasterCard and/or Discover, as applicable, that provides sponsorship services in connection with this Agreement. The Bank is a party to this Agreement. The Bank may be changed, and its rights and obligations assigned to another party by Processor at any time without notice to Sub-merchant.

## EXHIBIT 1 – ADDITIONAL SUPPLEMENTAL TERMS

- 1. Transaction Processing and Reporting.** Subject to the terms of this Agreement, T2 or Processor will initiate payment to Sub-Merchant of the total face amount of each transaction less any fees or other amounts T2 or Processor are authorized to deduct or withhold under this Agreement. The deposit of transaction funds to the Sub-merchant -Owned Designated Account discharges T2 and Processor of any settlement obligation to Sub-Merchant. Sub-Merchant agrees that T2 and Processor have no obligation to settle funds that are the proceeds of a purported transaction that violates Law. Unless otherwise agreed to in writing by the parties, Sub-Merchant shall electronically deliver to T2 or Processor (as agreed among the parties) all transaction records at least every business day. The preparation and delivery of transaction records shall constitute an endorsement by Sub-Merchant of each transaction, and Sub-Merchant authorizes T2 or Processor to place Sub-Merchant's endorsement on any transaction at any time. T2 or Processor shall provide transaction information and reports to Sub-Merchant on a daily basis or as otherwise agreed by the parties. Sub-Merchant agrees to review all such information and reports. Sub-Merchant agrees that its failure to report any errors in such information and reports or to notify T2 that Sub-Merchant has not received any amounts owed to Sub-Merchant within thirty (30) business days from the date the report or invoice is made available to Sub-Merchant or that receipt of such funds was due to occur shall constitute Sub-Merchant's acceptance of the same.
- 2. Third Party Assessments.** Notwithstanding any other provision of this Agreement, Sub-Merchant shall be responsible for all fees, fines, assessments, penalties, loss allocations, or other amounts imposed or assessed to Sub-Merchant, T2, Processor or Bank in connection with this Agreement by the Associations or other third parties to the extent that such amounts are not the direct result of the gross negligence or willful misconduct of T2, Processor, or Bank, as applicable. In the event that Processor or any third party assesses T2 a cost of funds associated with a circumstance where Processor, for whatever reason, advances settlement or any amounts and/or delays the assessment of any fees, Sub-Merchant shall be fully responsible for any portion of such assessment that is attributable to the Services for Sub-Merchant.
- 3. T2 Fees.** Sub-Merchant agrees to pay T2 the fees, expenses, and all other amounts set forth in this Agreement ("**Fees**"), which is referenced and incorporated in the Quote. Notwithstanding the foregoing, Sub-Merchant is responsible for payment of any changes or increases in Fees by Processor, Bank, the Associations, or other third parties ("**Pass Through Fees**"). In the event that T2 exercises its right to increase any Fees under this Section (exclusive of any changes in Pass Through Fees), T2 will provide Sub-Merchant thirty (30) days' advance written notice. An increase of T2 Fees will be based on the annual transaction volume tiers, which will be no greater than five cents (\$0.05) per transaction. Review of the annual transaction volume tiers will take place upon the anniversary of each Term of the Effective Date of this Agreement. If Sub-Merchant does not agree to any such increases in Fees during this notice period, Sub-Merchant may terminate this Agreement with thirty (30) days' written notice to T2, during which period T2 shall continue to charge the existing Fees during the termination and wind-down period. T2, Processor, and Bank may refuse to provide the Services in the event any of the parties have not been paid by Sub-Merchant for the Services contemplated herein.
- 4. Right of Offset.** Sub-Merchant has no right of offset regarding any amounts Sub-Merchant may owe T2. T2 may setoff any amounts owed by Sub-Merchant under this Agreement against (i) any amounts, including transactions, which T2 would otherwise deposit to the Sub-merchant -Owned Designated Account; (ii) any other amounts T2 may owe Sub-Merchant under this Agreement; or (iii) against any property of Sub-Merchant in the possession or control of T2. This right of offset covers, but is not limited to, chargebacks, disputes, fees, or any amounts Sub-Merchant owes T2 under this Agreement.
