Dear Mr. Cortes:

This letter is in reference to the Department of the Army Permit No. SAJ-2024-05078 (LP-KMM) that authorizes the construction of the requested structures within the Federal right-of-way of the Intracoastal Waterway, Jacksonville to Miami Project, Broward County, Florida. Since the authorized construction is within the Federal right-of-way of the Intracoastal Waterway, a Consent to Easement must be executed by you and the Government.

Accordingly, my office has enclosed Department of the Army Consent to Easement No. DACW17-9-25-0087 for your review and signature. Please ensure that you sign the Consent in the presence of two witnesses, but do not date the Consent as it will be dated when signed on behalf of the Government. Once signed, please return the Consent no later than fifteen (15) days from the date of this letter by email to enrijean.k.burgos@usace.army.mil. After the Consent is signed on behalf of the Government, the executed Consent will be forwarded to you.

Please note that this Consent does not authorize construction of any other upland structures within the Federal right-of-way, and any unauthorized structures are subject to removal. Thank you for your cooperation. Should you have any questions, please contact Mrs. Enri Jean Burgos at (904) 858-5105 or enrijean.k.burgos@usace.army.mil.

Sincerely,

Emmanuel J. Freeman
