Outlook-qjfvuq3;

This was sent to Antwayne on 5/15 and to Carmen last week and revised today for her. This extended the expiration date to 9/30/2026. If there is anything else you need, I am happy to help, but I will need some direction on what is required.

Thank you,

Jim

**Subject:** Request for 120-Day Extension for Commission Agenda Preparation

Dear Aclara Team,

I hope you are doing well. The City of Hollywood is in the process of preparing several key agenda items for upcoming Commission review related to our ongoing AMI efforts. To ensure that all materials are fully developed, reviewed, and aligned with Commission requirements, we respectfully request a **120-day extension**.

This additional time will allow us to finalize all necessary documentation, complete internal coordination, and ensure that the agenda items presented are comprehensive and accurate.

Please let us know if you require any additional information or if there are any formal steps we need to complete to process this extension request. We appreciate your continued partnership and look forward to working with you throughout this process.

Thank you for your consideration.
