

Project Name	Design/Construction Period	Project Boundary
PH-1UW07	Phase 1: Year 1 - 5	Septic to sewer conversion of Basin UW07, spanning north-south between Johnson Street and NW 2nd Street and east-west between NW 70th way and NW 76th Ave
PH-1-UE03A	Phase 1: Year 1 - 5	Septic to sewer conversion of Basin UE03A, spanning north-south between Taft Street and Polk Street, and east-west between N Dixie Highway and N 24th Ave
PH-1-UC10	Phase 1: Year 1 - 5	Septic to sewer conversion of Basin UC10, spanning north-south between Hollywood Boulevard and Jefferson Street, and east-west between S 56th Ave and S 58th Terr
PH-1-UC01,07	Phase 1: Year 1 - 5	Septic to sewer conversion of Basin UC01, spanning north-south between Simms Street and Raleigh Street and east-west between N 36th Ave and N 40th Ave, and Basin UC07, situated southwest of Johnson Street and I-95
PH-2-UE03B	Phase 2: Year 5 - 10	Septic to sewer conversion of Basin UE03B, spanning between north-south of Taft Street and Johnson, and east-west between N 24th Ave and I-95
PH-2-UC09	Phase 2: Year 5 - 10	Septic to sewer conversion of Basin UC09, spanning north-south Johnson Street and Tyler Street, and east-west between W Chaminade Dr and N 60th Ave
PH-2-UW01	Phase 2: Year 5 - 10	Septic to sewer conversion of Basin UW01, spanning north-south between Oak Street and Charleston Street, and east-west between Nw 64th Ave and NW 68th Ave
PH-2-UC04	Phase 2: Year 5 - 10	Septic to sewer conversion of Basin UC04, spanning north-south between Park Lane and Taft Street, and east-west between N 31st Street and N 35th Street
PH-2-UC03	Phase 2: Year 5 - 10	Septic to sewer conversion of Basin UC03, spanning north-south between Thomas Street and Taft Street, and east-west between N 35th Ave and N49th Ave

PH-3-UE03C	Phase 3: Year 10 - 15	Septic to sewer conversion of Basin UE03C, spanning north-south between Johnson Street and Polk Street, and east-west between N 24th Ave and I-95
PH-3-UC05	Phase 3: Year 10 - 15	Septic to sewer conversion of Basin UC05, spanning north-south between Taft Street and Johnson Street, and east-west between N 35th Ave and N 46th Ave
PH-3-UC08	Phase 3: Year 10 - 15	Septic to sewer conversion of Basin UC08, spanning north-south between Johnson Street and Tyler Street, and east-west between N 35th Ave and N 52nd Ave
PH-3-UW06	Phase 3: Year 10 - 15	Septic to sewer conversion of Basin UW06, spanning north-south between Taft Street and Pines Blvd, and east-west between State Road 91 and NW 64th Way. Additional Areas run between Taft Street and Arthur Street, spanning all the way west to NW 67th Terr.
PH-3-UW03	Phase 3: Year 10 - 15	Septic to sewer conversion of Basin UW03, spanning north-south between Sheridan Street and Taft Street, and east-west between NW 65th Way and NW 72nd ave
PH-4-UW02	Phase 4: Year 15 - 20	Septic to sewer conversion of Basin UW02, spanning north-south between Allen Street and Sheridan Street and east-east between NW 71st Ave to Davie Road Ext. The area east-west between NW 72nd Ave and NW 74th Ave, and area north-south Between Forest Street and Owens Street isn't apart of UW02.
PH-4-UE02	Phase 4: Year 15 - 20	Septic to sewer conversion of Basin UE02, spanning North-south between State Road 822 and Taft Street, and east-west between N Dixie Highway and N 26th Ave.
PH-4-UE01	Phase 4: Year 15 - 20	Septic to sewer conversion of Basin UE01, spanning north-south between Franklin Street and State Road 822, and east-west between the beach and A1A.
PH-4-UC13	Phase 4: Year 15 - 20	Septic to sewer conversion of Basin UC13, spanning north-south

		between Pines Blvd and State Road 824, and east-west between S 60th Ave and Florida Turnpike N.
PH-04-UE04	Phase 4: Year 15 - 20	Septic to sewer conversion of Basin UE04, spanning north-south between Van Buren Street and Pembroke Road, and east-west between S Dixie Highway to S 26th Ave.
PH-5-UW05	Phase 5: Year 20 - 25	Septic to sewer conversion of Basin UW05, spanning north-south between Branch Street and Johnson Street, and east-west between NW 72nd Ave and NW 75th Ave.
PH-5-UC02	Phase 5: Year 20 - 25	Septic to sewer conversion of Basin UC02, spanning north-south between Atlanta Street and Taft Street, and east-west between N 56th Ave and NW 62 Ave. Additional Areas are located north-south between Stirling Rd and intersecting Allen Street within the same east-west boundaries.
PH-5-UW04	Phase 5: Year 20 - 25	Septic to sewer conversion of Basin UW04, spanning north-south between Sheridan Street and Taft Street, and east-west between Florida Turnpike N and NW 65th Way
PH-5-UC06	Phase 5: Year 20 - 25	Septic to sewer conversion of Basin UC06, spanning north-south between Taft Street and Johnson Street, and east-west between N 56th Ave and N State Road 7
PH-5-UE05	Phase 5: Year 20 - 25	Septic to sewer conversion of Basin UE05, spanning north-south between Van Buren Street and Pembroke Road, and east-west between S 26th Ave and I-95
