**Subject:** Contract Renewal and Workers Compensation COI Update Request

Good morning

The City of Hollywood's Public Works Dept. current contract, under **BPA PA600563**, is set to **expire August 31, 2026.**

We would like to renew it from **September 1, 2026, to August 31, 2028**, based on the terms of the original agreement.

Please provide us with a written response if you agree, or disagree, for the City of Hollywood's Public Works Dept. to renew the contract for an additional 2- year period.

Also, the following Insurance Policy will expire as of **6/17/2026.**

## Workers Compensation

The following needs to be stated on the Certificate Holder section.

The **Certificate Holder** section, below the **COI**, should read in the same style / format:

City of Hollywood (**nothing written**)

Public Works

1600 S. Park Rd

Hollywood, FL 33021

1. **Description of Operation** should read: City of Hollywood is named as an additionally insure for General Liability and Auto Liability.

Will the vendor conduct business on city property? If so, we need your Auto Liability policy.

**The reason for the early Contract Renewal and COI Update request is because our City Commission will be on Summer Recess when our original agreement terms end.**

**We are now in the process of completing the necessary administrative requirements to ensure our agreement will continue without interruption by receiving Commission approval as early as possible.**

**One of the requirements is having an updated COI before approval of all agreements.**

**My apologies in advance for any inconvenience my request my cause.**

Regards

**Thaddeus Dennis**
