

**CITY OF HOLLYWOOD, FLORIDA
DEPARTMENT OF DEVELOPMENT SERVICES
DIVISION OF PLANNING AND URBAN DESIGN**

DATE: April 14, 2026 **FILE:** 26-F-07

TO: Planning and Development Board

VIA: Cameron Palmer, Assistant Director/ Chief Planner

FROM: Adrian Montoya, Planner II

SUBJECT: Request to allocate one (1) Flexibility Unit from the City's Unified Flexibility Zone for the property located at 1402 North Surf Road within the Broadwalk Historic District Commercial (BWK-25-HD-C) zoning district.

REQUEST

To allocate one (1) Flexibility Unit from the City's Unified Flexibility Zone for the property located at 1402 North Surf Road within the Broadwalk Historic District Commercial (BWK-25-HD-C) zoning district.

STAFF RECOMMENDATION

Determination: Staff defers to the Planning and Development Board, acting as the Local Planning Agency, regarding the recommendation to the City Commission.

BACKGROUND

The subject property, located at 1402 North Surf Road, currently consists of an existing three-story commercial building totaling approximately 7,217 square feet. The property is within the Broadwalk Historic District Commercial (BWK-25-HD-C) zoning district and has a General Business (GB) land use designation. It is also located within the Hollywood Beach Historic Overlay District and the Hollywood Beach Community Redevelopment Area (CRA).

On March 12, 2015, both the Planning and Development Board and the Historic Preservation Board at a Joint Meeting granted with conditions, Variances, Certificate of Appropriateness for Design, and Site Plan Approval via Resolution No. 09-DPV-39b (Attachment D) for the existing commercial building, and construction was completed in 2022.

The City of Hollywood's Comprehensive Plan permits residential uses on lands designated General Business when they are located within the same structure as commercial uses, provided the residential floor area does not exceed 50 percent of the total building floor area. The proposed residential unit is

approximately 2,247 square feet, which is less than 50 percent of the total floor area of the existing commercial building.

REQUEST

The Applicant is requesting a recommendation of approval to City Commission from the Planning and Development Board, acting as the Local Planning Agency, to allow the allocation of one (1) flexibility unit from the City's Unified Flexibility Zone (Attachment C) to permit residential use on the third floor of an existing commercial structure. "Flexibility Zones" were originally established by the Broward County Land Use Plan in 1977 to provide municipalities with the ability to adjust land uses at the local level without requiring direct County approval. This program is intended to support efficient municipal planning and responsiveness to local context.

In May 2023, the Broward County Planning Council formally approved the City's request to consolidate its seventeen preexisting flexibility zones into a single Unified Flexibility Zone. The City's Unified Flexibility Zone boundaries align with the municipal boundaries and eligible lands are those designated as "Residential" or "Commerce" within the BrowardNext Future Land Use Plan. At this time, the site has a Broward County land use designation of Commerce and the City of Hollywood has 3,886 flexibility units available in its Unified Flexibility Zone.

Pursuant to Section 5.3. (D) of the City's Zoning and Land Development Regulations, the Planning and Development Board, acting as the Local Planning Agency, is designated to make recommendations to the City Commission on matters including but not limited to Flexibility Unit petitions.

South:	Broadwalk Historic District Commercial (BWK-25-HD-C)
East:	Broadwalk
West:	Beach Resort Commercial District (BRT-25-C)

CONSISTENCY WITH THE COMPREHENSIVE PLAN

The request is partially consistent with the Comprehensive Plan, based upon the following:

Land Use Element:

Permitted Uses in Areas Designated General Business: (9) Residential uses are permitted in areas designated for general business in the following specific instances: a) Only in the same structure as a commercial use provided that the residential floor area does not exceed 50% of the total floor area of the building, and the flexibility and reserve units are available.

Goal: Promote a distribution of land uses that will enhance and improve residential, business, resort, and natural communities while allowing land owners to maximize the use of their property.

Policy 6.3: Maintain the Zoning and Development Regulations that implement standards for different intensities and land use and residential densities as stated in the Future Land Use Categories of the *Land Use Element*.

Coastal Element:

Goal 2: To enhance and improve the Business Resort, Residential and Natural Coastal Community.

Objective 2: Reduce exposure of human life and public and private property to natural hazards in a post-disaster redevelopment plan.

CONSISTENCY WITH THE HOLLYWOOD BEACH CRA MASTER PLAN

The request is partially consistent with the Hollywood Beach CRA Master Plan, based upon the following:

Strategy 1.1., Action Item 1: Facilitate renovation of existing historic structures along the Broadwalk: “The City should encourage renovation by simplifying the approval process.”

Strategy 1.3., Action Item 1: The following zoning district is proposed to reflect the underlying land use designation and to define the character of future development on Hollywood Beach: “Broadwalk Historic District – BWK-25-HD-C: applicable to all developments within the boundaries with frontage on the beach front and Surf Road, with varying criteria established for properties north of Tyler Street and south of Harrison Street. Residential uses shall not be permitted within this zoning district.

ANALYSIS

The request is to allocate one (1) Flexibility Unit to allow for a residential use within an existing three-story commercial building. The property has a General Business (GB) future land use designation, which allows residential uses within the same structure as a commercial use provided the residential floor area does not exceed 50 percent of the total building floor area and Flexibility Units are available. The request is consistent with these criteria.

Comprehensive Plan policies for the Central Beach area prioritize commercial and seasonal activity while discouraging increases in permanent residential units. In alignment with this direction, the Hollywood Beach CRA Master Plan supports the rehabilitation of existing historic structures but does not contemplate residential uses within the Broadwalk Historic District Commercial (BWK-25-HD-C) zoning district. Consistent with that intent, the zoning district does not include parking standards for residential uses, as such uses were not anticipated at the time of its adoption. By comparison, applying the parking requirements from the Broadwalk Historic District Residential (BWK-25-HD-R) district would result in a requirement of one parking space for the proposed residential use. The site, as currently configured, does not provide any parking. Accordingly, the request raises competing policy considerations.

The City has previously approved requests to legalize existing legal nonconforming residential units on Hollywood Beach through the allocation of Flexibility Units. However, those approvals have occurred under different circumstances and site-specific contexts.

Based on the mixed policy considerations, staff defers to the Planning and Development Board, acting as the Local Planning Agency, regarding whether to recommend approval of the request to the City Commission.

CRITERIA STATEMENT

The proposed residential unit on the third floor (*FLEX UNIT*), as an adaptive reuse of existing space that was a storage area, meets all current Florida Building Code safety standards (specifically for fire separation, egress, and accessibility), provides dedicated resident parking that does not impede commercial operations, and supports the City's comprehensive plan for walkability and mixed-use density in the Broadwalk Historic Commercial District without negatively impacting adjacent residential or commercial areas.

A RESOLUTION OF THE CITY OF HOLLYWOOD JOINT PLANNING AND DEVELOPMENT BOARD/HISTORIC PRESERVATION BOARD CONSIDERING THE REQUEST FOR VARIANCES, A CERTIFICATE OF APPROPRIATENESS FOR DESIGN, AND SITE PLAN FOR THE CONSTRUCTION OF AN APPROXIMATE 7,200 SQ. FT. COMMERCIAL BUILDING (RESTAURANT) TO BE LOCATED AT 1402 N. SURF ROAD, HOLLYWOOD, FLORIDA, AS MORE PARTICULARLY DESCRIBED IN EXHIBIT "A", PURSUANT TO THE PROVISIONS OF THE CITY OF HOLLYWOOD ZONING AND LAND DEVELOPMENT REGULATIONS.

WHEREAS, the Planning and Development Board (the "Planning Board") is charged with, among other things, the responsibility of considering requests for variances, design, special exceptions and site plan approval; and

WHEREAS, on February 28, 2012, the Planning Board and Historic Preservation Board met and held a joint advertised public hearing to consider Angelo R. Gramanzini's (the "Applicant") initial request for the construction of an approximate 6,900 square foot commercial building (restaurant) and adopted Board Resolution No. 09-CPV-39, which granted a variance, a certificate of appropriateness for design and site plan with conditions for the property located at 1402 N. Surf Road, as more particularly described in Exhibit "A" attached hereto and incorporated herein by reference; and

WHEREAS, on March 13, 2014, the Planning Board and Historic Preservation Board met and held a joint advertised public hearing to consider the Applicant's request for an extension of the previously approved variance, certificate of appropriateness for design and site plan, and approved the extension request pursuant to Board Resolution No. 09-CDPV-39a; and

WHEREAS, the Planning Board is duly empowered to grant variances, special exceptions, design and site plan approval in accordance with the guidelines and procedures found in Section 5.3 of the City's Zoning and Land Development Regulations and site plan approval pursuant to Article 6 of the Zoning and Land Development Regulations; and

WHEREAS, the Historic Preservation Board (the "Historic Board") is charged with the responsibility of preserving and conserving properties of historical, architectural and archeological merit in the City of Hollywood; and

WHEREAS, a Certificate of Appropriateness for Design is required prior to the issuance of a building permit for new building construction, additions to existing buildings, major renovation work or substantial alteration based upon evaluation of the compatibility of the physical alteration or improvement with the criteria listed in the City of Hollywood Zoning and Land Development Regulations; and

WHEREAS, in accordance with Section 5.3.1.2. of the Zoning and Land Development Regulations, a joint meeting of the Planning and Development Board and Historic Preservation Board is required for projects located in an Historic District that requires Site Plan approval and a Certificate of Appropriateness of Design; and

WHEREAS, the Applicant applied for modifications to the approved project which require two (2) Variances, approval of a Certificate of Appropriateness for Design and Site Plan for the construction of an approximate 7,200 square foot restaurant located at 1402 N. Surf Road; and

WHEREAS, the Assistant Director of the Department of Planning and Associate Planner, following and analysis of the application and its associated documents have determined that the request for a Variance to waive the required Surf Road tower setback of 15 feet to allow 10 feet, does meet the criteria set forth in Section 5.3.F. (1) of the Zoning and Land Development Regulations and have therefore recommended approval with the following conditions:

- (1) The gates on the first floor must remain decorative to maintain the style and design of the ground level; and
- (2) The Variance is only valid in conjunction with the current Site Plan proposal dated February 20, 2015, and in the event that Site Plan is amended, new Variances must be reapplied for.

; and

WHEREAS, the Assistant Director of the Department of Planning and Associate Planner, following and analysis of the application and its associated documents have determined that the request for a Variance to waive the required Broadwalk base setback of 10 feet to allow 0 feet, does meet the criteria set forth in Section 5.3.F. (1) of the Zoning and Land Development Regulations and have therefore recommended approval with the following conditions:

- (1) The gates on the first floor must remain decorative to maintain the style and design of the ground level; and
- (2) The Variance is only valid in conjunction with the current Site

Plan proposal dated February 20, 2015, and in the event that Site Plan is amended, new Variances must be reapplied for.

WHEREAS, the Assistant Director of Planning and Development Services, the Planning Manager and the Associate Planner, following an analysis of the application and its associated documents have determined that the Certificate of Appropriateness for Design does meet the following criteria of integrity of location, design, setting, materials, workmanship and association as set forth in Section 5.5 F. of the Zoning and Land Development Regulations and have therefore recommended approval with the following conditions:

- (1) The Applicant shall work with Staff to incorporate design/architectural features on the north elevation to avoid blank walls prior to submittal of a building permit; and
- (2) The gates on the first floor must remain decorative to maintain the style and design of the ground level.

WHEREAS, the Technical Advisory Committee, following an analysis of the application and its associated documents have determined that the proposed request for Site Plan does meet the review standards set forth in Article 6 of the Zoning and Land Development Regulations and have therefore recommended approval of the proposed Site Plan with the following conditions:

- (1) The third floor shall be limited to storage use only unless required parking is provided for any other use; and
- (2) That the Applicant shall submit a Unity of Title, in a form acceptable to the City Attorney's Office, prior to the issuance of any building permits which shall be recorded by the City of Hollywood in the Public Records of Broward County, Florida prior to the issuance of a Certificate of Occupancy (C/O) or Certificate of Completion (C/C).

WHEREAS, on March 12, 2015, an advertised public hearing of the joint meeting of the Planning and Development Board and Historic Preservation Board ("Joint Board") was held to consider the Applicant's request; and

WHEREAS, the Joint Board reviewed the application for the two (2) Variances and determined the following:

(1) As to the Variance request to waive 5 feet of the required 15 feet Surf Road tower setback, the Variance request does meet the criteria set forth in Section 5.3.F.1. of the Zoning and Land Development Regulation and made the following findings:

- a) That the requested Variance does maintain the basic intent and purpose of the subject regulations, particularly as they affect the stability and appearance of the City;
- b) That the requested Variance is otherwise compatible with the surrounding land uses and would be detrimental to the community;
- c) That the requested Variance is consistent with and in furtherance of the Goals, Objectives and Policies of the adopted Comprehensive Plan, as amended from time to time, the applicable Neighborhood Plan and all other similar plans adopted by the City;
- d) That the need for the requested Variance is not economically based or self-imposed; and
- e) Since the Board finds that criteria a. through d. have been met, then criteria e. is not applicable.

(2) As to the Variance request to waive 10 feet of the required 10 feet Broadwalk base setback, the Variance request does meet the criteria set forth in Section 5.3.F.1. of the Zoning and Land Development Regulation with Staff's conditions, and made the following findings:

- a) That the requested Variance does maintain the basic intent and purpose of the subject regulations, particularly as they affect the stability and appearance of the City;
- b) That the requested Variance is otherwise compatible with the surrounding land uses and would be detrimental to the community;
- c) That the requested Variance is consistent with and in furtherance of the Goals, Objectives and Policies of the adopted Comprehensive Plan, as amended from time to time,

the applicable Neighborhood Plan and all other similar plans adopted by the City;

- d) That the need for the requested Variance is not economically based or self-imposed; and
- e) Since the Board finds that criteria a. through d. have been met, then criteria e. is not applicable.

WHEREAS, the Joint Board reviewed the application and the Department of Planning's staff report, and considered staff's conditions, and made the following finding: That the request for a Certificate of Appropriateness for Design to construct an approximate 7,200 square foot commercial (restaurant) located at 2001 Hollywood Boulevard does meet the criteria set forth in Section 5.5.F. of the Zoning and Land Development Regulations with the following conditions:

- (1) The Applicant shall work with Staff to incorporate design/architectural features on the north elevation to avoid blank walls prior to submittal of a building permit; and
- (2) The gates on the first floor must remain decorative to maintain the style and design of the ground level.

; and

WHEREAS, the Joint Board reviewed the application and the staff's report and the Technical Advisory Committee's recommendation with a condition for the approval of the Site Plan and considered the Site Plan review standards set forth in Article 6 of the Zoning and Land Development Regulations, and have determined that the Site Plan standards have been met with the following conditions:

- (1) The third floor shall be limited to storage use only unless required parking is provided for any other use; and
- (2) That the Applicant shall submit a Unity of Title, in a form acceptable to the City Attorney's Office, prior to the issuance of any building permits which shall be recorded by the City of Hollywood in the Public Records of Broward County, Florida prior to the issuance of a Certificate of Occupancy (C/O) or Certificate of Completion (C/C).

NOW, THEREFORE, BE IT RESOLVED BY THE JOINT PLANNING AND DEVELOPMENT BOARD/HISTORIC PRESERVATION BOARD OF THE CITY OF HOLLYWOOD, FLORIDA:

Section 1: That, following review of the Staff Summary Report, the Applicant's application and supporting documents and materials, and all submitted written and oral testimony received during the public hearing, and the consideration of the criteria listed herein for approving/denying the requested Variance for the property located at 1402 N.Surf Road, to waive 5 feet of the required 15 feet Surf Road tower setback to allow a 10 foot setback for the subject property, the Board finds that the necessary criteria have been met, and the requested Variance is hereby **approved with the following conditions:**

- (a) The gates on the first floor must remain decorative to maintain the style and design of the ground level; and
- (b) The Variance is only valid in conjunction with the current Site Plan proposal dated February 20, 2015, and in the event that Site Plan is amended, new Variances must be reapplied for.

Section 2: That, following review of the Staff Summary Report, the Applicant's application and supporting documents and materials, and all submitted written and oral testimony received during the public hearing, and the consideration of the criteria listed herein for approving/denying the requested Variance for the property located at 1402 N.Surf Road, to waive 10 feet of the required 10 foot Broadwalk base setback to allow for a 0 foot setback for the subject property, the Board finds that the necessary criteria have been met, and the requested Variance is hereby **approved with the following conditions:**

- (a) The gates on the first floor must remain decorative to maintain the style and design of the ground level; and
- (b) The Variance is only valid in conjunction with the current Site Plan proposal dated February 20, 2015, and in the event that Site Plan is amended, new Variances must be reapplied for.

Section 3: That following review of the Staff Summary Report, the application, supporting documents, materials, and all submitted written and oral testimony received during the public hearing from all parties and speakers, and the consideration of the criteria set forth herein for approving/denying a Certificate of Appropriateness for Design for the property located at 2001 Hollywood Boulevard, the Board finds that the necessary criteria have been met, and the Certificate of Appropriateness for Design is hereby **approved with the following conditions:**

- (a) The Applicant shall work with Staff to incorporate design/architectural features on the north elevation to avoid blank walls prior to submittal of a building permit; and

- (b) The gates on the first floor must remain decorative to maintain the style and design of the ground level.

Section 4: That, following review of the Staff Summary Report, the application, supporting documents, materials, and all submitted written and oral testimony received during the public hearing from all parties and speakers, and the consideration of the Site Plan review standards set forth in Article 6 of the Zoning and Land Development Regulations, the Board finds that the necessary review standards have been met, and Site is hereby **approved with the following conditions:**

- (a) The third floor shall be limited to storage use only unless required parking is provided for any other use; and
- (b) That the Applicant shall submit a Unity of Title, in a form acceptable to the City Attorney's Office, prior to the issuance of any building permits which shall be recorded by the City of Hollywood in the Public Records of Broward County, Florida prior to the issuance of a Certificate of Occupancy (C/O) or Certificate of Completion (C/C).

Section 5: That both Variances shall become null and void unless the Applicant has applied for all applicable building or other permits(s) or license(s) within 24 months of the Board's approval. Said 24 months shall commence upon passage and adoption of this Resolution.

Section 6: That, the Applicant shall have up to 24 months from the date of this Certificate of Appropriateness for Design approval to apply for all necessary building permits or licenses required to proceed with this project. Failure to apply for said building permits or licenses within the time period shall render all Joint Board approvals null and void.

Section 7: That, the Applicant shall have up to 24 months from the date of Site Plan approval to apply for a valid construction permit. Failure to submit an application within the require time period shall render all approvals null and void.
