

**GAP FUNDING COMMITMENT FOR DEVELOPMENT OF
“THE DIXIE” (name TBD) MIXED-INCOME WORKFORCE HOUSING PROJECT**

Dixie Hollywood Apts, LLC, an affiliate of Affiliated Development, LLC (“Developer”), intends to develop a mixed-income, workforce housing development in the City of Hollywood. The Developer seeks gap funding and development incentives from the City of Hollywood (“City”). The Developer and City are collectively referred to as the “Parties”, or individually as a “Party”.

The purpose of this funding commitment (“Commitment”) is to set forth the general understanding between the Parties regarding the proposed Project (as set forth herein). By resolution, the City Commission authorize City staff to prepare a Development Agreement and a Workforce Housing Incentive Agreement incorporating the following terms and conditions.

These terms and conditions will serve as an outline of the proposed Development Agreement for approval by the Parties.

- DEVELOPER:** Dixie Hollywood Apts, LLC, a Florida limited liability company and affiliate of Affiliated Development, LLC (referred to herein as the “Developer”), and any successor or assign thereof.
- CITY:** City of Hollywood, a municipal corporation organized and existing under the laws of the State of Florida.
- DETERMINATION:** The City determines that the Project is consistent with and furthers the City’s goals and objectives for removal of slum and blight, economic development, workforce and affordable housing, public infrastructure and other public benefits.
- CITY COMMISSION:** The City Commission is the legislative body that governs the City and is comprised of six Commissioners and one Mayor. The City Commission also serves as the CRA Board and may be collectively referred to as the “Commission”.
- PROPERTY:** Located at 400 S. Dixie Hwy., Hollywood, FL 33020, on the southwest corner of S. Dixie Highway and Jackson Street, as more specifically described in the attached **Exhibit A**. Eligibility for any ILA-related funding shall remain subject to confirmation and/or approval by the City and Broward County, as applicable.
- PROJECT:** A mixed-income multifamily workforce housing rental development comprised of approximately 394 units, approximately one-half of which will be workforce housing units restricted to households earning up to 120% AMI, with Class-A amenities and garage parking.
- See Project site plan and renderings attached as **Exhibit B**, which require all necessary Approvals and may be revised in order to obtain same. Notwithstanding the foregoing, any material change (or series of changes) to the Project as depicted in the Commitment representing a greater than ten percent (10%) change to the gross floor area, or greater than 25% change to the total number of dwelling units shall require approval by the Commission.
- REQUEST:** On May 14, 2026, the Developer submitted a formal request for City funding and incentives to the City Manager to provide Gap Funding necessary to finance the Project.
- ILA:** On October 3, 2018, Broward County, the City and CRA entered into an Interlocal Agreement (“ILA”) regarding funding for affordable housing attached as **Exhibit C**. This ILA provides a “County Contribution” to be used solely for approved Affordable Housing Programs as outlined in Exhibit 1 of the ILA. Any

use of ILA funds for the Project shall be subject to confirmation that the Project qualifies under the ILA, or to such written County and City approvals, modifications, interpretations or amendments as may be required under the ILA.

AGREEMENT: The Development Agreement to be entered into by and between the Parties, detailing terms contained in this Commitment including any exhibits and any amendments.

APPROVALS: All required site plan, zoning and land use approvals necessary by the applicable Governmental Authority to construct the Project on the Property.

LENDER: The construction first mortgage lender to be selected by Developer to disburse proceeds to Developer to fund costs for developing the Project, which may be secured by a first priority mortgage, security interest, pledge, lien or other encumbrances.

FINANCIAL CLOSING: The date on which all Project financing agreements have been signed and all required conditions contained in such agreements have been satisfied in order to commence construction of the Project.

PROJECT COSTS: All capital costs necessary to acquire and develop the Project including but not limited to acquisition costs, hard costs, soft costs, public infrastructure, fees, and reserves. The estimated total cost for the Project is approximately \$122,000,000, which shall be evidenced in a Sources and Uses budget attached as an exhibit to the Agreement and made final by Lender approval upon Financial Closing.

CLDA: "Construction Loan Disbursement Agreement" means an agreement to be executed by Lender, the Developer, and other funding sources setting forth the obligations of each party to disburse construction funds, including the Gap Funding, to pay for (or reimburse) Project Costs.

DIRECT CITY

FUNDING: The City shall provide direct funding to the Project in the aggregate amount of \$6,014,205 (the "Direct Funding") to be used to fund or reimburse Project Costs, Site Improvements (hereinafter defined) and public infrastructure improvements. Site Improvements may include, without limitation, eligible public infrastructure, streetscape, sidewalk, drainage, lighting, utility, roadway, landscape, mobility, access, or other on-site or off-site improvements approved by the City. \$4,000,000 of the Direct Funding shall be funded from legally available City ILA funds, including \$2,500,000 from the City's FY 2026 budget, and \$1,500,000 from the City's FY 2027 budget. \$2,014,205 of the Direct Funding shall be provided from the CRA's Post-TIF Funding including \$750,000 from the Downtown CRA's FY 2028 budget, \$650,000 from the Downtown CRA's FY 2029 budget, and \$614,205 from the Downtown CRA's FY 2030 budget. All Direct Funding due by the time of Financial Closing shall be disbursed to a Lender-designated funding agent upon Financial Closing and disbursed to pay or reimburse Project Costs in accordance with the CLDA. Any Direct Funding due for fiscal years after Financial Closing shall be budgeted and appropriated by the City and disbursed to a Lender-designated funding agent, or otherwise to Developer, to pay or reimburse Project Costs in accordance with the Agreement and the CLDA.

**DEVELOPMENT
REVIEW**

FEE WAIVER: To the extent permitted by law, the City shall provide a waiver, reimbursement, credit, offset, or other legally available equivalent economic benefit equal to one hundred percent (100%) of City development review fees, application fees, site plan review fees, zoning review fees, planning review fees, permit review fees, and similar City development processing fees imposed on or payable in connection with the Project (the "Development Review Fee Waiver").

**PUBLIC ART
REQUIREMENT**

WAIVER: To the extent permitted by law, the City shall waive, reimburse, credit, offset, or otherwise satisfy on behalf of Developer one hundred percent (100%) of any public art requirement, public art fee, art-in-public-places contribution, or similar City requirement imposed on or payable in connection with the Project (the "Public Art Waiver"). If a full waiver is not legally available, the City and Developer shall cooperate in good faith to provide an economically equivalent credit, reimbursement, or other legally available alternative.

FEE WAIVERS

AND OFFSETS: The Development Review Fee Waiver and Public Art Waiver may be implemented, to the extent permitted by law, by direct waiver at the time the applicable fee or requirement would otherwise be due, by reimbursement to Developer, by credit against amounts otherwise payable, or by disbursement to a Lender-designated funding agent for use in paying or reimbursing Project Costs in accordance with the CLDA. Developer shall provide reasonable supporting documentation requested by the City to substantiate the fees, charges or requirements waived, offset, credited or reimbursed.

GAP FUNDING: The Direct City Funding, Development Review Fee Waiver, Public Art Waiver, and any other City funding, waivers, credits, offsets, reimbursements, grants or incentives provided under the Agreement may be collectively referred to as the "Gap Funding". For the avoidance of doubt, all Gap Funding not subject to repayment as provided herein shall be converted to, and/or in the form of, a grant, waiver, credit, offset or reimbursement, as applicable.

REPAYMENT: Notwithstanding adequate cure rights contained in the Agreement, an event of default shall have occurred should the Project not achieve a Completion Date within the timeframes set forth herein (a "Completion Default"). Should a Completion Default occur, all outstanding Direct City Funding, plus 3.25% interest annually accruing from the Developer's receipt of such funds, shall become due and payable to the applicable funding Party within 120 days following such Party's written notice of Completion Default. Notwithstanding the foregoing, no interest or principal payments shall be owed by Developer unless an uncured Completion Default exists.

AMI: Area Median Income ("AMI") shall mean the Broward County Area Median Income, as set forth each year by the Department of Housing and Urban Development ("HUD").

**MIXED-INCOME
HOUSING**

REQUIREMENT: The Developer agrees to rent the units in accordance with 25% of the units to tenants that earn up to 100% of AMI and 25% of the units to tenants that earn up to 120% of AMI, for a total of 50% of the units dedicated for workforce housing (“Workforce Housing Units”). The remaining units shall be considered “Market Rate Housing Units”.

FIRST LOOK: Developer agrees to establish a “First Look” leasing preference program for the Project’s designated Workforce Housing Units, pursuant to which qualified Hometown Heroes shall receive priority notice and an initial opportunity to lease available Workforce Housing Units 30-days before such units are made generally available to the public. For purposes of this Commitment, “Hometown Heroes” shall include first responders, law enforcement officers, firefighters, emergency medical personnel, teachers and school employees, nurses and other healthcare workers, City of Hollywood employees, military veterans, and such other public service employees or essential workers as may be approved by the City and Developer. The First Look program shall be administered in a commercially reasonable and legally compliant manner, subject to applicable fair housing laws, income qualification requirements, occupancy standards, and the availability of Workforce Housing Units.

RESTRICTIVE

COVENANT: At Financial Closing, the Developer will record a Restrictive Covenant containing the Mixed-Income Housing Requirements, which shall remain in effect for a period of 30 years following Financial Closing (“Term”). The Restrictive Covenant form shall be attached to the Agreement, which shall not be in final form until approved by Lender.

COMPLIANCE: Developer shall ensure that the Workforce Housing Units are occupied by eligible households at the time of initial occupancy during each year of the Term of the Restrictive Covenant.

FORCE MAJEURE: Neither party shall be held liable or responsible to the other party nor be deemed to have defaulted under or breached this Agreement for failure or delay in fulfilling or performing any term of this Agreement to the extent and for so long as such failure or delay is caused by or results from causes beyond the reasonable control of the affected party, including but not limited to fire, floods, embargoes, war, acts of war (whether war be declared or not), acts of terrorism, pandemics (to the extent that such delays from pandemics result in the unavailability or delay of governmental authorities to grant Approvals or to perform inspection and/or the unavailability or delay of design professionals, engineers, contractors or laborers), insurrections, riots, civil commotions, strikes, lockouts or other labor disturbances, acts of God or acts, omissions or delays in acting by any governmental authority, except for the City of Hollywood if not under a State of Emergency, or the other party. Events of Force Majeure shall extend the period for the performance of the obligations for a period equal to the period(s) of any such delay(s).

COMMENCEMENT

DATE: Date on which the Project starts construction for the improvements on the Property. Commencement shall occur within three months of Financial Closing. The approval of the City Manager shall be required to authorize any extensions of the Commencement Date for a period of time up to 90 days without Commission approval. Any extensions of time beyond 90 days shall require the approval of the Commission.

COMPLETION DATE: Date on which the Project is substantially complete and a temporary certificate of occupancy has been issued by the appropriate governing authority. The Completion Date shall be on or before 42 months from the Commencement Date, subject to Force Majeure. The approval of the City Manager shall be required to authorize any extensions of the Completion Date for a period of time up to 90 days without Commission approval. Any extensions of time beyond 90 days, other than those extensions of time resulting from events of Force Majeure, shall require the approval of the Commission.

SUBORDINATION: All the terms and provisions of the Agreement, with the exception of the provisions regarding the Covenant to Fund, shall be subordinate to the Lender and the rights granted to Lender in connection with the loan secured by a first mortgage, including all subsequent agreements required by any funding party, such as the CLDA. Without requiring Commission approval, and subject to any statutory provisions related to the use of public funds, the City agrees to tailor any provisions necessary in any of its documents in order to meet the commercially reasonable requirements of the Lender.

MAINTENANCE/

REPAIRS: During the construction of the Project, the Developer shall at its own expense keep the Project and Property in good and clean order and condition, and in compliance with all applicable statutes, codes, regulations, and ordinances. All construction will be done in accordance with applicable Approvals, building codes, and to the permitted set of plans and specifications. Upon the Completion Date, Developer, its successors and assigns, at its own expense, shall have a continuing obligation to maintain the Project and Property in good repair and in a commercially reasonable manner as may be required by the Code of Ordinances.

TAX PAYMENTS: Developer shall be obligated to pay all ad valorem property taxes due upon the Property and the Project as required by Florida law.

INSURANCE: The Developer and the general contractor for the Project, as applicable, shall purchase and maintain, at their own expense, insurance in forms and from companies reasonably satisfactory to the Lender. The City shall be named as additional insureds on all required policies of insurance until such time as the Project obtains its certificate of occupancy. Thereafter, the Developer, its successors and assigns, shall have a continuing obligation to adequately insure the Project, at its own expense.

RIGHT TO AUDIT: City shall have the right to audit the Project as may be reasonably required, and Developer shall provide City with necessary information to conduct such audit within 60 days of a written request by the City. Such right shall remain in effect for three years from the Completion Date.

CONDITIONS TO

CLOSE: The following conditions and documentation must be provided by Developer to City prior to the Financial Closing:

1. Evidence that (a) Developer is in existence under the Laws of the State of Florida; (b) Developer is qualified to do business and operate the Premises under the laws of the State of Florida; and (c) Developer has full power to execute and deliver the documents contemplated herein and to engage in and consummate the transaction contemplated by the Commitment;

2. Copy of a fully executed construction contract;
3. Evidence that Developer owns the Property;
4. Final Sources & Uses budget;
5. Copy of the Performance Bond (or another form as may be acceptable to Lender, such as Subcontractor Default Insurance);
6. Project Plans;
7. Survey for the Property;
8. Permit Ready Letter or its equivalent;
9. Evidence of Approvals necessary to build the Project;
10. Insurance policies; and
11. Articles of organization for the Developer.

The City Manager is granted authority to execute the Agreement consistent with the terms and conditions of this Commitment and approved for legal sufficiency by the City Attorney, who serve the Commission.

The Parties will use good faith efforts to finalize the Agreement in accordance with the terms set forth herein no later than 60 days following the approval of this Commitment by the Commission.

This Commitment and the Agreement shall be made and construed in accordance with the laws of the State of Florida. This Commitment supersedes any prior commitments and agreements, oral or written, to and with City and Developer or any affiliate thereof, with respect to the subject matter contained herein.

This Commitment may be executed in one or more counterparts, each of which shall constitute an original and together shall constitute one agreement. INTERLOCAL AGREEMENT (ILA) AFFORDABLE HOUSING

**INTERLOCAL AGREEMENT AMONG BROWARD COUNTY, THE CITY OF HOLLYWOOD,
AND THE CITY OF HOLLYWOOD COMMUNITY REDEVELOPMENT AGENCY
REGARDING FUNDING FOR AFFORDABLE HOUSING**

This Interlocal Agreement ("Agreement") is entered into by and among Broward County, a political subdivision of the State of Florida (the "County"), the City of Hollywood, a Florida municipal corporation (the "City"), and the City of Hollywood Community Redevelopment Agency (the "CRA") (collectively, the County, the City, and the CRA are the "Parties").

RECITALS

A. On April 3, 1979, through County Resolution No. 79-327, the County delegated certain powers to the City, and on September 5, 1979, through City Ordinance No. 79-46, the CRA was created pursuant to the provisions of Chapter 163, Florida Statutes.

B. At its inception, the redevelopment area of the CRA consisted solely of the downtown area of the City and nearby residential areas (the "Downtown District"). On or about July 23, 1997, the City approved a modification of the CRA redevelopment plan to create a second redevelopment area consisting of the beach area of the City and nearby residential areas (the "Beach District"). The Downtown District currently consists of approximately 580 acres, and the Beach District currently consists of approximately 293 acres.

C. The CRA receives funding from four taxing authorities: the County, the City, the South Broward Hospital District ("Hospital District"), and the Children's Services Council of Broward County ("CSC"). Pursuant to the requirements of Section 163.387, Florida Statutes, and unless otherwise agreed by the relevant entities, the taxing authorities are generally required to fund the CRA annually in the amount of 95% of the difference between the current ad valorem tax revenue for the redevelopment area and the ad valorem tax revenue for the redevelopment area at the time of the enactment of the ordinance providing for the funding of the redevelopment trust fund.

D. The County and the City seek to support affordable housing and economic development in the City at large, as well as redevelopment within the CRA, and therefore desire to allocate a portion of the monies that would otherwise be paid to the Beach District as tax increment funding to support affordable housing programs in the City. In addition, the Parties desire to approve an extension to the duration of the Downtown District of the CRA to continue the alleviation of slum and blight.

Now, therefore, for good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the Parties agree as follows:

ARTICLE 1. DEFINITIONS

- 1.1 Affordable Housing Programs. The programs, initiatives, and expenditures identified on Exhibit 1 hereto, including as modified pursuant to Section 2.7 of this Agreement.
- 1.2 Beach District Termination Date. The date on which the Beach District terminates, which must be on or before June 25, 2027, with the final TIF Obligation of any Taxing Authority due by December 31 of the prior calendar year.
- 1.3 Downtown District Extension Period. The period of up to sixteen (16) years from October 1, 2025, through and including September 30, 2041, or such earlier termination date as approved by the City.
- 1.4 Downtown District Termination Date. The date on which the Downtown District terminates, which must be on or before September 30, 2041.
- 1.5 Effective Date. The date on which this Agreement is executed by the last of the Parties executing this Agreement, provided such date is no later than October 25, 2018.
- 1.6 Taxing Authorities. The County, the City, the Hospital District, and the CSC.
- 1.7 TIF Obligation(s). Any and all amounts that the applicable Taxing Authority would be obligated to pay to the redevelopment trust fund for the applicable district of the CRA pursuant to Section 163.387, Florida Statutes. As used herein, the TIF Obligation for any given year refers to the amount paid during that fiscal year: e.g., the fiscal year 2019 TIF Obligation is the tax increment obligation required to be paid pursuant to Section 163.387, Florida Statutes, on or before December 31, 2019.

ARTICLE 2. TERMS AND CONDITIONS

2.1 The Parties stipulate that this Agreement governs the rights and obligations of all Taxing Authorities relating to TIF Obligations to the CRA, inclusive of the Downtown District and the Beach District, from the Effective Date until the conclusion of all TIF Obligations, as well as the Parties' respective rights and obligations relating to any money returned by the Beach District to the Taxing Authorities pursuant to Section 163.387(7), Florida Statutes.

2.2 Downtown District.

2.2.1 Downtown District Term Extension. By execution of this Agreement, the County expressly authorizes the City and the CRA to extend the Downtown District of the CRA on a non-TIF basis (except for the City, if so elected by the City) for the Downtown District Extension Period in accordance with the terms of this Agreement. Within sixty (60) days after the Effective Date of this Agreement, the City and the CRA will approve an amendment to the Downtown District Redevelopment Plan that expressly incorporates the terms of this Agreement, extends the duration of the

Downtown District for the Downtown District Extension Period, expressly states that the Taxing Authorities (other than the City, if the City elects to continue the City's TIF Obligations) shall have no TIF Obligations after December 31, 2024, and expressly requires that the Downtown District terminate on or before the Downtown District Termination Date.

2.2.2 Downtown District Termination Date. The Downtown District shall terminate on or before the Downtown District Termination Date. The City and the CRA shall take any and all action necessary to affect the timely termination of the Downtown District.

2.2.3 Downtown District TIF Obligations. The TIF Obligations of the Taxing Authorities shall continue in accordance with Section 163.187, Florida Statutes, until December 31, 2024. No Taxing Authority (other than the City, if the City elects to continue the City's TIF Obligations) shall have any TIF Obligation to the Downtown District after December 31, 2024. The Downtown District shall strictly comply with the provisions of Section 163.387, Florida Statutes, with respect to all monies received pursuant to the TIF Obligations of the Taxing Authorities.

2.3 Beach District. The Parties agree that as of the Effective Date through and until the Beach District Termination Date, the payment obligations of the Taxing Authorities (other than the Hospital District) for the Beach District, inclusive of all TIF Obligations, will be determined as stated below.¹

2.3.1 Set Aside Amount. On or before September 30 of each year, the CRA shall determine and provide written notice to the applicable Taxing Authorities of the percentage of the TIF Obligation to be refunded pro rata to the applicable taxing authorities ("Set Aside Percentage") with respect to the TIF Obligations that would otherwise be due on December 31 of that calendar year. Each year, the Set Aside Percentage must be at least seventeen percent (17%). For each year and for each applicable Taxing Authority, the Set Aside Percentage multiplied by that Taxing Authority's TIF Obligation for the Beach District shall constitute the "Set Aside Amount."

2.3.2 Beach District Net Payments. On or before December 1 of each year, the CRA shall invoice each applicable Taxing Authority for the amount of that entity's applicable TIF Obligation less the applicable Set Aside Amount (e.g., 95% of the Tax Increment minus 17% of the Tax Increment, or 78% of the Tax Increment) (the "Beach District Net Payment"). The applicable Taxing Authorities will pay the applicable Beach District Net Payment on or before December 31 of each year. The CRA shall appropriate and use the Beach District Net Payments strictly in compliance with the

¹ The payment obligations of the Hospital District to the Beach District are determined in accordance with a separate agreement and shall be unaffected by this Agreement; the Hospital District is not eligible for any TIF Obligation refund required under this Agreement.

obligations of Chapter 163, Florida Statutes, including without limitation Section 163.387, Florida Statutes.

2.3.3 County Affordable Housing Contributions. On or before December 1 of each year, the City shall invoice the County for an affordable housing contribution ("County Contribution") in an amount equal to the Set Aside Amount, provided that no invoice shall exceed twenty-five percent (25%) of the County's TIF Obligation for that year. The County shall pay the County Contribution to the City on or before December 31 of that year. Taxing Authorities other than the County shall have no obligation to repay or contribute any portion of the Set Aside Amount to the City or the CRA and may utilize the retained monies for any purposes otherwise permitted under law. The County may retain and utilize for its general revenue purposes any portion of the Set Aside Amount that exceeds 25% of the County's TIF Obligation for that year. All County Contributions are subject to the restrictions on use and accounting stated in Section 2.5.

2.3.4 Prior Years' Set Aside Amounts. Within thirty (30) days after the Effective Date of this Agreement, the County shall pay to the City the amounts refunded by the CRA to the County in 2017 and 2018, namely One Million Four Hundred Thirteen Thousand Seven Hundred Twenty-Eight and 49/100 Dollars (\$1,413,728.49) refunded by the CRA to the County on or about April 19, 2017, and Two Million Two Hundred Eighty-Five Thousand Eighteen Dollars (\$2,285,018.00) refunded by the CRA to the County on or about April 10, 2018. If the CRA refunds any additional portions of the TIF Obligations paid by Taxing Authorities prior to the Effective Date of this Agreement, the County will pay the City the refunded amount up to a total of seventeen percent (17%) of the applicable TIF Obligation; any refunded amount exceeding 17% shall be retained by the County. Upon receipt by the City, all amounts paid under this section shall be deemed to be "County Contributions," and for all such amounts the City shall fully comply with the restrictions on use and accounting stated in Section 2.5. No Taxing Authority other than the County shall be obligated under this Agreement to pay any refunded amounts to the City.

2.3.5 Additional Remaining Balances. Nothing in this Section 2.3 alleviates the obligations of the CRA, in accordance with Section 163.387, Florida Statutes, to refund to the Taxing Authorities any additional monies remaining in the CRA's trust fund on the last day of the fiscal year that were not (i) properly appropriated to a specific project to be completed within three (3) years from the date of appropriation or (ii) pledged or used to reduce the indebtedness to which tax increment revenues are pledged.

2.3.6 Savings Provision. For each fiscal year for which the Taxing Authority timely pays the Beach District Net Payment, to the extent necessary to effectuate the purposes of this Agreement, the difference between the TIF Obligation and the Beach District Net Payment shall be deemed timely paid by the Taxing Authority to the CRA

and timely refunded by the CRA to the Taxing Authority pursuant to Section 163.387(7), Florida Statutes.

2.4 Affordable Housing Programs Funding. The County shall provide funding to the City ("Affordable Housing Funding") for low-to-moderate income affordable housing programs as follows: the County shall make ten (10) annual payments to the City, with the first payment due on December 31, 2027, and the last payment due on December 31, 2036. Each payment shall be in the amount of One Million Seven Hundred Fifty Thousand Dollars (\$1,750,000), with the payments cumulatively totaling Seventeen Million Five Hundred Thousand Dollars (\$17,500,000). The City shall invoice the County for the annual payment by December 1 of each year.

2.5 Use of County Contributions and Affordable Housing Funding. The City shall utilize all County Contributions and all Affordable Housing Funding solely for Affordable Housing Programs, and the City must account for all such monies as follows:

2.5.1 All County Contributions and all Affordable Housing Funding payments received by the City must be deposited into and maintained in a specially-designated account that is used solely for this purpose ("Program Funding Account").

2.5.2 All County Contributions, all Affordable Housing Funding payments, all funds in the Program Funding Account, and all proceeds thereof (including interest) shall be utilized by the City solely for Affordable Housing Programs. In no event shall any such funds or the Program Funding Account be utilized, pledged, loaned, transferred, allocated, appropriated, or encumbered to or for any project, activity, or expenditure other than an Affordable Housing Program. At the end of each fiscal year, any monies in the Program Funding Account shall be deemed restricted funds and shall only be used for Affordable Housing Programs in subsequent fiscal years.

2.6 Annual Reporting. On an annual basis by December 31 of each year, the City will provide a written report to the County that includes the following information:

2.6.1 The total balance of the Program Funding Account, and all deposits to and debits from the Program Funding Account for the prior fiscal year; and

2.6.2 A list of all Affordable Housing Programs that received any funding the prior fiscal year (including any expenditure, encumbrance, appropriation, or other designation of funds) and for each such program: identification of the source(s) of all funding to date for the program; the total amount received from each funding source; and the total amount paid or expended to date for the program.

2.7 Modifications to Affordable Housing Programs List. Upon request by any Party, the County Administrator and the City Manager, or their respective designees, will review the list of Affordable Housing Programs (Exhibit 1) to determine if any modifications should be made to the list. Upon written approval by the County Administrator and the City Manager of a modified list of Affordable Housing Programs, the modified list shall be deemed to automatically replace

Exhibit 1 hereto as of the commencement of the next fiscal year (or on such other date as otherwise agreed to in writing by the County Administrator and the City Manager).

2.8 Annual Audits. The CRA will obtain an annual, independent audit of the CRA redevelopment trust fund (for each of the Downtown District and the Beach District) by an independent auditing firm (which may be the same firm retained by the City for an audit of the City's annual financial report). The scope of the audit opinion will expressly include auditing the CRA's compliance with Section 163.387, Florida Statutes.

2.9 Post-TIF Downtown District Funding: The County shall make five (5) annual payments to the CRA, with the first payment due on December 31, 2025, and the last payment due on December 31, 2029. Each payment shall be in the amount of Three Million Dollars (\$3,000,000), with the payments cumulatively totaling Fifteen Million Dollars (\$15,000,000) (the "Post-TIF Downtown District Funding"). The CRA shall invoice the County for the annual payment by December 1 of each year. The Post-TIF Downtown District Funding may only be utilized by the CRA for purposes or projects that would otherwise be permitted uses under the Section 163.387(6), Florida Statutes.

2.10 Compliance with Redevelopment Act of 1969. The Parties agree and stipulate that the provisions of this Agreement are in accord with and constitute full satisfaction of the Parties' TIF payment obligations for the CRA, inclusive of the Downtown District and the Beach District, under the Redevelopment Act of 1969 (the "Act"), Section 163.330 et seq., Florida Statutes. The Parties agree and stipulate that the provisions of this Agreement shall be construed in order that the payments made pursuant to this Agreement shall fully satisfy the TIF Obligations of the Taxing Authorities that would otherwise be due to the Beach District and to the Downtown District for all time periods from the Effective Date through the respective Beach District Termination Date and the Downtown District Termination Date. The Parties agree and stipulate that this Agreement constitutes an interlocal agreement containing alternate provisions between the Taxing Authorities and the governing body that created the CRA, and therefore supersedes the Act and the provisions of Section 163.387, Florida Statutes. Notwithstanding any contrary provision in the Act, including, without limitation, Section 163.387(3)(a), Florida Statutes, the Taxing Authorities shall have no financial obligation to the CRA except as expressly stated herein, and in the event the City or the CRA undertakes or obligates any loan, advance, bond, or other indebtedness, the City and the CRA shall be solely responsible for any such loan, advance, indebtedness, bond, and any associated fees or interest, and any such loan, advance, bond, or other indebtedness shall have no effect and impose no obligation upon the other Taxing Authorities. In the event any court or governmental body determines that the provisions of this Agreement are not in compliance with the Act or that any provision of this Agreement is invalid or unenforceable, or to the extent otherwise necessary to effectuate the purposes of this Agreement, then the Agreement shall be construed and reformed to the extent necessary to meet the intent of the Parties as stated herein.

2.11 Broward County Administrative Code Application. The Parties agree and stipulate that at least as of January 14, 2014 (which is the adoption date of Broward County

Resolution No. 2014-025), Broward County Administrative Code Section 18.87 is binding on the City and the CRA and prior written approval of the County is required for any modification of a redevelopment plan where such modification involves a boundary change, extension to the term of the redevelopment plan involving the continuing contribution by the taxing authorities, or a change of such magnitude as would require a County or municipal land use plan amendment. In no event shall the City or the CRA extend the duration of the Downtown District beyond the Downtown District Termination Date or the Beach District beyond the Beach District Termination Date, without formal written approval by the County Commission.

2.12 End of TIF Obligations. The Parties agree and stipulate that, except to the extent expressly authorized in this Agreement, there shall be no extension to the duration of the CRA (inclusive of the Downtown District and the Beach District) nor expansion of the boundaries of the CRA without the prior written approval of the County Commission, and that all TIF Obligations of any Taxing Authority (other than the City) to the CRA will terminate on or before December 31 of the calendar year preceding the Beach District Termination Date for the Beach District and on or before December 31, 2024, for the Downtown District. No Taxing Authority (other than the City, if the City so elects) shall be obligated to pay any TIF Obligation to the Downtown District after December 31, 2024, or to otherwise fund the Downtown District except as expressly stated herein. No Taxing Authority shall be obligated to fund the Beach District after December 31 of the calendar year preceding the Beach District Termination Date. All funding obligations of the Taxing Authorities (other than the City) to the CRA shall be strictly limited to the obligations expressly stated herein.

ARTICLE 3. MISCELLANEOUS

3.1 Effective Date; Time is of the Essence. The Agreement shall become effective as of the Effective Date, provided it is executed by the City and CRA consistent with the condition established in the County's motion to approve the Agreement. ~~Time is of the essence for all~~ performance required under this Agreement.

3.2 Termination; Breach; Challenge. This Agreement may not be terminated for cause or for convenience. The sole and exclusive remedies for any breach of this Agreement shall be specific performance or injunctive relief. In the event of a breach of this Agreement, the Parties agree and stipulate that the Agreement shall continue in full force and effect as to the other Parties, and further agree and stipulate that the nonbreaching Party or Parties are entitled, at their election, to specific enforcement of the terms of this Agreement, and the Parties expressly agree and stipulate that the Agreement is valid and enforceable, fair and just in all its terms, and that damages resulting from a breach of this Agreement are sufficiently uncertain and indefinite that specific performance is an appropriate equitable remedy. In the event of an action by the City or the CRA for nonpayment against a Taxing Authority, the other Taxing Authorities shall provide any cooperation reasonably requested, but in no event shall any Taxing Authority be responsible for any payment obligation in excess of the payment obligations stated for that Taxing Authority under this Agreement or for a payment obligation owed by any other Taxing Authority.

3.3 Third-Party Beneficiaries. The Parties expressly agree and stipulate that there are no third-party beneficiaries to this Agreement other than the Hospital District and the CSC. The approval or execution of this Agreement by the Hospital District or the CSC is not required for its validity, but to the extent the Hospital District or the CSC executes this Agreement prior to thirty (30) days after the Effective Date, such execution shall entitle that entity to enforce the provisions of this Agreement as applicable to that entity to the full extent permitted under applicable law.

1. Rehabilitating existing LMI Area residential property, subject to restrictive covenants requiring that the affordability of the residential units be maintained for a period of at least ten (10) years for owner-occupied housing and at least fifteen (15) years for rental housing, or such other duration as approved by the County Administrator or the Broward County Board of County Commissioners
2. Affordable/workforce LMI Area housing programs (including home repair and purchase assistance)

Actual expenses for planning, designing, or implementing horizontal infrastructure (i.e., drainage, wastewater, water supply, solid waste, lighting, paving, bridges, roadways, canals, or transportation in LMI Areas), provided that total expenditures for this category shall not exceed fifteen percent (15%) of all County Contributions and all Affordable Housing Funding
5. Work skills programs that enable residents to apprentice on projects and gain new life skills
6. Other affordable housing programs approved in writing by County Administrator

Low-to-Moderate Income Areas ("LMI Areas") are defined as follows: Geographical areas (calculated on a block group basis) within the City in which more than half (>50%) of the residents have an annual median income (AMI), adjusted for family size, that is eighty percent (80%) or less of the AMI for Broward County, Florida, as published by the Florida Housing Finance Corporation for the applicable year. Census block data shall be derived by the most recent available decennial census.
