Attention: Mr. Umar Javerd

Reference: Community Outreach Summary
North 16th Avenue Apartments
2101-2111 North 16th Avenue

Dear Mr. Javerd:

In accordance with the City's Outreach Ordinance, this letter serves to confirm the summary of the Community Outreach relating to the above-mentioned matter.

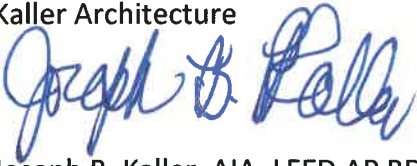

We sent notice to all properties Owners and Civic Associations within 500 feet from each property line of the subject Property informing them of a virtual public meeting to be held on October 23, 2024, at 6:00 PM. The Virtual Notice included information about this Project's location.

The Virtual meeting held on October 23, 2024, was attended by Alex Mahan, Geri Kish, Johanna Clayton, Julie Tereshchenko, Sveto Kraev, Vanessa Cook and others as per the attached attendance sheet. Joseph B. Kaller, Architect of Kaller Architecture, presented the Project in a Power Point Presentation as attached hereto and following the Presentation, we answered numerous questions.

Although the Project is as of right, the neighbors shared their concerns relating to extensive flooding in the neighborhood, losing their privacy to the adjacent residences; possibly flipping the pool from North 16th Avenue to the alley; and the concern of the east residential home that the Proposed Building could possibly cast a shadow on the roof solar panels.

Please do not hesitate to contact me if you have any questions or comments.

Very Truly Yours,
Kaller Architecture

A handwritten signature in blue ink that reads "Joseph B. Kaller". The signature is fluid and cursive, with the first and last names being more prominent.

Joseph B. Kaller, AIA, LEED AP BD+C
President

VIRTUAL COMMUNITY MEETING INVITATION

We are inviting you to attend a Virtual Community Meeting to discuss an Application submitted to the City of Hollywood. This meeting is being held to discuss a new 24 Unit Residential Apartment Development proposed for the property identified in the location map below. All interested parties are encouraged to participate in this virtual meeting. Joseph B. Kaller, Architect of Kaller Architecture will be presenting this Proposed Project and immediately following the presentation will be a time to address questions.
